TOWN MEETINGS.

MONDAY, March 3, 1902.

John W. Cawley was elected Moderator and sworn by the Town Clerk.

James W. Conefy, Charles P. Brawley, Clarence S. Lynde, Herbert G. Daley, Albert S. Woodward, William Garside Jr., George E. Young and Alfred T. Peacock, Tellers, having been appointed by the Selectmen, as required by the election laws, were sworn to the faithful performance of their duties by the Town Clerk.

The ballots were delivered to the Tellers, a receipt given the Town Clerk for the same as required by law, the ballot box opened, inspected and locked, after which the polls were declared opened to receive ballots, under Article 2 of the warrant.

Voted, That when this meeting adjourn it be until Tuesday, March 11, 1902, to meet in Armory Hall at seven o'clock in the evening.

Voted, That no action be taken on articles of the warrant except Articles 1 and 2, until the adjourned meeting, Tuesday, March 11, 1902.

Voted, To close the polls, under Article 2, at four o'clock in the afternoon.

During a temporary absence of the Moderator, George W. Cromack served in that capacity.

By the unanimous consent of the Moderator and Town Clerk the ballot box was opened at two o'clock in the afternoon, ballots taken therefrom and the following additional

Tellers appointed to assist in assorting and counting the same :

George W. Cromack, Napoleon P. Bean, Walter A. Hill, William J. Corcoran Jr., Charles S. Jewett, John W. Kelley, Walter Paige, Thomas F. McDermott, Charles H. Parsons, Patrick J. Murray, Albert R. Ramsdell and Edward J. Qualters, who were sworn by the Town Clerk.

At four o'clock in the afternoon, in accordance with the vote previously taken, the polls under Article 2 of the warrant were declared closed, at which time the ballot box registered twelve hundred and twenty-six as ascertained by the Town Clerk.

The number of names checked of persons having received ballots, as counted by the Tellers was :..... 1221

Males 1211

Females 10

The number of ballots given out by the Tellers was 1222

Males (one spoiled) 1212

Females 10

The number of ballots returned to the Town Clerk was 829

Males 639

Females 190

The number of names checked, of persons having voted was 1221

Males 1211

Females 10

The number of ballots taken from the ballot box as counted by the Moderator was 1221

Males 1211

Females 10

Three "Holt counting apparatus" were used in counting the ballots, and the Tellers at each, appointed in accordance with the law.

All the ballots cast having been assorted and counted, as required by law, declaration of the same, was made as follows:

Whole number of ballots cast	1221
Males	1211
Females	10

Majority for No	339

Voted, To adjourn until Tuesday, March 11, 1902, to meet in Armory Hall at 7 o'clock in the evening.

Adjourned Town Meeting.

Tuesday, March 11, 1902.

Meeting called to order by the Moderator.

Chose, Leonard P. Benton, Joshua T. Nowell and Walter S. Keene, Fence Viewers.

Chose, Charles W. Messer and Frank H. Reynolds, Undertakers.

Chose, John C. C. Small, Field Driver.

Chose, Hiram H. Lufler, Pound Keeper.

Chose, Wilson A. Bartlett, Sealer of Weights and Measures.

Chose, Melzar Eaton, Measurer of Leather.

Chose, Walter Paige and William B. Jones, Measurers of Wood and Bark.

Voted, To accept the reports of Town Officers and Committees as printed and dated Jan. 31, 1902, excepting, however, that part of the report of the Water Commissioners which contains charges in excess of the salary voted for the Commissioners at the annual meeting in March, 1901, for services properly belonging to the Water Commissioners to perform.

Voted, That a committee of five be appointed by the Moderator to consider the advisability of holding a town meeting to hear and act on town reports and to act on such business as may legally come before it, sometime previous to the election of town officers; said committee to report at a future town meeting.

Voted, That it is the sentiment of the inhabitants of the town of Stoneham, in town meeting assembled, that House bill 902, accompanying the petition of James H. Murphy, a bill providing for a Board of Public Works for the town of Stoneham, should become a law.

The foregoing vote was taken by a count of hands and was as follows:

Voting in the affirmative.....	248
Voting in the negative.....	16

Voted to raise and appropriate the following sums to defray town charges for the ensuing year:

Poor.....	$6000.00

Collector of Water Rates, to be the Town Treas-	

urer, who is hereby authorized to act in all matters relating to collecting water rates for the year ensuing and to assume all duties pertaining thereto..... $200.00

Public Shade Trees, (suppression of brown tail moth) 300.00

Entertaining Old Sixth Regiment..... 300.00

A motion was made "That the salary of $500 for the Town Treasurer, to be full payment for all services rendered the town as Treasurer," which motion being tried was declared lost.

Voting in the affirmative..... 24

Voting in the negative..... 149

A motion "To raise and appropriate the sum of $250 for salary of Town Counsel," was tried and lost.

Voted, That the Selectmen be authorized to appoint a Town Counsel for the ensuing year, at a sum not exceeding $500, whose duty it shall be to draft all bonds, deeds, obligations, contracts, leases, conveyances, agreements and other legal instruments of whatever nature, which may be required of him by any by-law of the town, or order of the Selectmen, or may be required of any person contracting with the town, and which, by law, usage, or agreement, the town should furnish.

He shall prosecute all actions and suits to be commenced by the town before any tribunal in this Commonwealth, whether in law or equity, and also appear in, defend, and advocate the rights or interests of the town; and when directed by the Selectmen shall defend any of its officers in any suit or prosecution for any act or omission in the discharge of their official duties, wherein any estate, right, privilege, by-law, may be brought in question.

He shall furnish, when so requested, in writing, to the

Selectmen, or any officer or board, or to any committee that may require in the official discharge of its duties, his legal opinion on any subject touching the duties of their respective offices. And all opinions furnished by him, having reference to matters of public interest, shall be printed annually with the documents usually printed by vote of the town.

A motion "To reconsider the foregoing vote" was tried and lost.

Voted, That when this meeting adjourn it be until Thursday, March 13, 1902, to meet in Armory Hall at 7 o'clock in the evening.

Voted, To adjourn.

Adjourned Town Meeting.

THURSDAY, March 13, 1902.

Meeting called to order by the Moderator.

Voted, That the Moderator be authorized to appoint a committee of nine to make necessary arrangements for the entertainment of the Old Sixth Massachusetts Regiment, April 19, 1902.

Under authority of the foregoing vote the Moderator named as that committee: George N. Green, Sidney A. Hill, David A. Abbott, George R. Barnstead, William H. Marden, Herbert H. Richardson, Leonard P. Benton, Fred E. Nickerson and James H. Murphy.

Voted, That the Moderator be authorized to appoint a Finance Committee for the year ensuing.

Under authority of the foregoing vote the Moderator named the following as the Finance Committee: David T. Strange, Stephen P. Finnegan, Walter S. Keene, Joshua T.

Nowell, Sidney A. Hill, Bernard H. Cogan, William P. Fletcher, Fred E. Nickerson and Charles H. Drew.

Under authority of the vote passed Tuesday, March 11, 1902, the Moderator appointed the following committee to consider the advisability of holding a town meeting, to hear and act on town reports, and to act on such business as may legally come before it, sometime previous to the election of town officers; said committee to report at a future town meeting: James W. MacDonald, Onslow Gilmore, J. Alden Stockwell, David T. Strange and Arthur H. Cowdrey, M. D.

Voted, That the Water Commissioners be instructed to furnish the Town Treasurer with a list of all uncollected water rates due Dec. 1st, 1901; and semi-annually hereafter on the first day of May and the first day of November, they shall furnish the collector of water rates a list of all water takers, with the amounts due from each.

Voted, To accept and adopt the report of the committee on Plumbers Rules and Regulations as printed.

Voted, That the Town Treasurer assume the duties of Collector of water rates, at once.

Voted, To appropriate the money received for licenses of dogs, for the support of the Public Library for the year ensuing.

Voted, To raise and appropriate the following sums

Care of Shade Trees	$246.00
Library Incidental Expenses	950.00
" Reading Room	150.00
" New Books	300.00
Decoration of Soldiers' Graves	325.00

Voted, To instruct and authorize the Tree Warden to employ a number of men at once, to exterminate or suppress the brown tail moth.

Voted, That for the purpose of procuring a temporary

loan to and for the use of the town of Stoneham, in anticipation of the taxes of the present municipal year, the Town Treasurer is hereby authorized and directed to borrow, from time to time, with the approval of a majority of the Board of Selectmen, a sum or sums, not exceeding in the aggregate one hundred thousand dollars, and to execute and deliver the note or notes of the town therefor, payable within one year from the time the loan is made. Any debt or debts incurred by a loan or loans to the town under this vote, shall be paid from the said taxes of the present municipal year.

Voted, To authorize the Collector to use all means of collecting taxes, which the Town Treasurer may use, when appointed collector.

Voted, To accept the list of Jurors as revised at this meeting.

Voted, To grant the free use of Armory Hall to Post 75, G. A. R., six evenings in the coming year, when not otherwise engaged.

Stephen P. Finnegan moved "That the same streets watered in 1901, be watered this year;" J. W. MacDonald moved an amendment, "That the town furnish the water and the abuttors on streets watered pay for the distribution;" the amendment being tried, was declared carried, and the motion of Mr. Finnegan, as amended, being tried, was declared carried. On motion of George A. Hinchcliffe "To reconsider the amendment of Mr. MacDonald" the question being tried was declared carried; the vote being doubted, a count of hands was ordered, and again declared carried, 116 in the affirmative and eight in the negative; C. C. Dike moved the reconsideration of the original motion of Mr. Finnegan, which was declared carried, after which the Moderator put the original motion of Mr. Finnegan and it was, on motion of Horace G. Rowe, to amend.

Voted, That Montvale Avenue, from Main street to Cottage street, be included in the list of streets watered.

Voted, To water the following streets the ensuing year: Main street from Marble street to Elm street; Franklin street from Central Square to a point sixty feet east of Pine street; Central street from Central Square to Pomeworth street; Winter street; Church street; Common street; Tidd street; and Montvale avenue from Main street to Cottage street; and that the assessment be made on frontage.

Voted, That the assessment on abuttors for watering the streets, be three cents per lineal foot.

Voted, That all taxes not exceeding three dollars in amount, shall be due and payable on demand. On all taxes exceeding three dollars in amount, one and one half per cent. discount shall be allowed if paid on or before the tenth

day of September; if paid on or before the tenth day of October, one per cent. discount shall be allowed; if paid on or before the tenth day or November, one half of one per cent. discount shall be allowed, and all taxes exceeding three dollars in amount shall be due and payable on the tenth day of December of the current year. On and after December tenth, interest shall be charged on all unpaid taxes at the rate of five per centum per annum. On the fifteenth day of February following, the Collector shall proceed to collect taxes of all delinquents according to law. Interest and discount shall be reckoned on even dollars.

Voted, That a detailed statement of all insurance paid by the town each year, commencing with 1901, appear in the next and subsequent annual reports of receipts and expenditures and officers, showing the specific amounts of insurance on each particular piece of property (real and personal) and all liability insurance, with the names of companies, number of policies, their terms, dates and expirations, rates and premiums, and names of agents or brokers placing them.

Voted, That a committee of five be appointed, consisting of our Honorable Board of Selectmen and two other competent gentlemen, to be appointed by the chair, to make a specific valuation of all town property and ascertain the proportion of insurance thereon to its value, and also all liability insurance, in each department, and report with recommendations to the next town meeting.

The Chair appointed Wesley N. Gray and George N. Green on that committee.

Voted, To raise and appropriate the sum of three hundred and fifty dollars to be expended under the provisions of Chapter 50, Section 22 of the Public Statutes, for concrete sidewalks on the northerly side of Franklin street,

from Melrose line to Isabella street; and on the westerly side of Isabella street, from Franklin street to Ferdinand street.

Voted, To raise and appropriate the sum of one hundred and twenty-five dollars to build a concrete sidewalk on the easterly side of Green street, beginning at Spring street and running northerly to the north bound of land of the late S. O. Carter, under the provisions of Chapter 50, Section 22 of the Public Statutes.

Voted, To raise and appropriate the sum of one hundred and twenty-five dollars, to construct a gravel and crushed stone sidewalk on the northerly side of Hancock street, from the present termination of the sidewalk at land of Willard Massey, westerly to Park street.

Voted, To accept the street leading from Maple street southerly to Grand View avenue (so called) as laid out by the Selectmen.

Voted, To raise and appropriate the sum of five hundred dollars, to build Maple Court, to be built under the supervision of the Selectmen.

Voted, To build a concrete sidewalk on the north side of Hancock street from Pond street to Summer street, under the provisions of Chapter 50, Section 22 of the Public Statutes; also to repair the concrete sidewalk on the east side of Pond street, from Hancock street to Franklin street, the expense of the same to be paid from the appropriation for new concrete sidewalks.

Voted, To raise and appropriate the sum of one hundred and five dollars for electric lights.

Voted, To extend the water main in Main street from the present terminus at or near the residence of William A. Manzer, southerly to a point near the residence of William Breagy, and to authorize the Town Treasurer to sell two

bonds, the issue of which has been authorized by the town, the proceeds to be used to pay for the said extension, said bonds to be for $1000 each.

Voted, To lay a water main in and through Pond street from the corner of Summer street south three hundred and fifty feet and to appropriate the expense of the same, estimated to be $350, from money in the hands of the Treasurer, received as premiums from the sale of water bonds and from receipts on account of construction.

Voted, To lay a water main in and through Eustis and Bow streets, from Spring street to Green street.

Voted, To lay a water main from the corner of Cottage street, in and through William street, westerly to the residence of Charles H. Arnold.

Voted, To authorize the Treasurer to sell five water bonds of $1000 each, the issue of which has been authorized by the town, the proceeds from the sale of the same to be used to defray the expense of laying the mains as voted under articles 34 and 44.

Voted, To construct two (2) catch basins on Lincoln street near the residence of L. C. Prescott and take the water from said basins to catch basins on Marble street, the expense to be paid from the appropriation for Highways.

Voted, To relay the gutter on Cedar avenue near the land of Harry A. Hill, Lorenzo D. Hawkins and others, in a manner to properly carry off the water, the expense to be paid from the appropriation for repairs to concrete gutters and crossings.

Voted, To raise and appropriate the sum of $3100, to purchase a steam road roller for the use of the town.

Voted, That the Selectmen be a committee to purchase the road roller as voted.

Voted, To appropriate the money received as prem-

iums from the sale of water bonds, now in the hands of the Treasurer, together with the amount paid into the town treasury by the Water Board as receipts on account of construction, and in addition the amount received during the coming year as receipts from construction, the same to be used by the Water Board for construction.

Voted, To locate a hydrant on Collincote street near the house of Joseph Measures, the expense to be paid from the appropriation last voted.

Voted, To locate thirteen hydrants in the following locations, to wit: One at the junction of High street and Broadway; One on Waverley street near its junction with High street; One on Main street near the residence of Geo. L. Child; One on West Hancock street near Park street; One on Central street near the north schoolhouse; One on Isabella street; One on Franklin street near Plaza avenue; One on Franklin street near the residence of Edward Outram; One on Marble street near Park street; One on Flint avenue corner of Rowe street; One on Lincoln street near the residence of A. H. Tredick; One on Main street near the residence of C. B. Carlin, and One on Dean street.

Voted, That the Treasurer be authorized to sell one water bond of $1000, the issue of which has been authorized by the town, the proceeds to be used to pay for the hydrants voted as above.

Voted, To raise and appropriate the sum of $600 for the purchase of new hose for the Fire Department.

Voted, That the Engineers of the Fire Department be a committee to purchase hose voted as above.

Voted, To raise and appropriate the sum of $15 for an electric light on Wright street, between Maple and Hancock streets.

Voted, To authorize the Overseers of the Poor to have

a new service water pipe laid from the main on Elm street to the almshouse buildings, and also to have necessary repairs made to the water pipe system in the buildings, and to appropriate the sum of one hundred and fifty dollars from funds in the hands of the Treasurer to pay for the same.

Voted, To authorize the Overseers of the Poor to have new floors laid in the kitchen and back hall of the almshouse and to appropriate the sum of sixty dollars from funds in the hands of the Treasurer for the same.

Voted, That the claim for damages of Margaret Goodwin be referred to the Selectmen, they to settle or defend the same, as they deem for the best interests of the town.

Voted, That the claims for damages of Anthony A. Rhuland be referred to the Selectmen, they to settle or defend the same, as they deem for the best interests of the town.

Voted, To adjourn.

Town Meeting.

Wednesday, May 28, 1902.

John W. Cawley was elected Moderator and sworn by the Town Clerk.

The Moderator announced the following Tellers who had been appointed by the Selectmen according to law: Charles S. Jewett, Clarence S. Lynde, Herbert G. Daley and Alfred T. Peacock, who were sworn by the Town Clerk.

The ballots were delivered to the Tellers, the ballot box opened, inspected and locked, and the polls declared open to receive ballots in answer to the following question,

as called for in article 2 of the warrant: "Will the town accept Chapter 263 of the Acts of the year 1902, entitled, 'An Act to authorize the town of Stoneham to establish a Board of Public Works?'"

Voted, To close the polls at four o'clock in the afternoon.

At four o'clock in the afternoon the polls were closed in accordance with the foregoing vote, at which time the ballot box registered 347, as ascertained by the Town Clerk.

The check list at the gate had 343 names checked of persons having received ballots.

The check list at the ballot box had 343 names checked of persons having voted.

The number of ballots cast was 343 as counted by the Moderator.

All the ballots cast having been assorted and counted by the Tellers, declaration of the same was made as follows:

Whole number of ballots cast	343
Yes	156
No	185
Blanks	2

Voted, To adjourn.

Town Meeting.

Monday, June 30, 1902.

John W. Cawley was elected Moderator, who was sworn by the Town Clerk.

James W. MacDonald, for the committee to consider the matter of distributing town reports, including the advis-

ability of holding a special meeting previous to the annual meeting, made the following

REPORT.

We would recommend the substitution of the following for section 4 of the town By-Laws.

SECTION 4. The financial year shall begin January first and end December thirty-first of each year.

During the interval between the close of the financial year and the time of making the next annual appropriations, the Selectmen may draw orders for necessary payments, the same to be paid from any available funds in the town treasury, and to be charged against the annual appropriations for the current fiscal year; but such orders for any purpose shall not exceed twenty per cent. of the amount appropriated for that purpose the preceding year.

Every official or committee of the town required by law or usage to report to the town annually in print, shall furnish a complete copy of such report to the Auditors or other persons authorized by the town to receive it, on or before the thirteenth day of January next following the year for which said report is made, and it shall be the duty of those authorized to receive said reports to have them printed and distributed on or before the fifth day of February, the distribution to be as follows: by special messenger, one copy to be left with every family of the town having a voter or a property holder.

Furthermore, by a vote of the town at some previous meeting, or on the petition of the legal number of the voters of the town, the Selectmen shall call a special town meeting not later than ten days previous to the annual town meeting at which it shall be required that the printed reports be formally presented.

The committee recommends also that the town valuation be printed as often as once in five years.

The committee would also recommend that if their recommendations above stated be adopted, that steps be taken to have it apply to the present fiscal year, that is, that the present fiscal year end the thirty-first day of December next. (signed)

J. W. MacDONALD, Ch.

Voted, To accept the report and adopt the recommendations of the committee.

Voted, To amend the town By-Laws by striking out section four of said By-Laws, and substituting in place therof the following:

Section 4. The financial year shall begin January first and end December thirty-first of each year. During the interval between the close of the financial year and the making of the next annual appropriations, the Selectmen may draw orders for necessary payments, the same to be paid from any available funds in the town treasury, and to be charged against the annual appropriation for the current fiscal year; but such orders for any purpose shall not exceed twenty per cent. of the amount appropriated for that purpose the preceding year.

Every official or committee of the town required by law or usage to report to the town annually in print, shall furnish a complete copy of such report to the Auditors or other persons authorized by the town to receive it, on or before the thirteenth day of January next following the year for which said report is made, and it shall be the duty of those authorized to receive said reports, to have them printed and distributed on or before the fifth day of February, the distribution to be as follows: by special messenger,

one copy to be left with every family of the town having a voter or a property holder.

Furthermore by a vote of the town at some previous meeting, or on petition of the legal number of the voters of the town, the Selectmen shall call a special town meeting not later than ten days previous to the annual town meeting, at which it shall be required that the printed reports be formally presented.

Voted, To have the town valuation printed once in five years, the same to be printed and bound with the town reports, the first to be printed to be the valuation of the year 1902, and that the Assessors shall have the printing of the said valuations under their charge.

Voted, To name the street leading from Maple street to Grandview avenue, (formerly called Maple court) Ledge street.

H. H. Richardson moved "to discontinue the watering of Montvale avenue from Main street to Cottage street." The question being stated and tried was declared lost.

Voted, To accept the provisions of Section 355, of Chapter 11 of the Revised Laws, said Section providing for the election of Town Clerks for the term of three years.

Voted, To lay a water main from Main street in and through Elm street westerly to William street; also from Elm street in and through Albion avenue, and from Elm street in and through Oak street to North street.

Voted, To locate three hydrants on William street as follows: One near the residence of George W. Knapp, one near the residence of Sumner Richardson and one near the residence of Charles H. Arnold: also one on Albion avenue, one on Oak street and one on North street.

Voted, That the Town Treasurer be authorized to sell five water bonds of one thousand dollars each, the issuance

of the same having been authorized; and that the proceeds from such sale of bonds be and are hereby appropriated to carry out the provisions of the votes passed under the two preceding votes.

Voted, That a committee of six be appointed by the Moderator, to consider the advisability of the town purchasing land for a public playground; said committee to report at some future meeting.

The Moderator appointed as that committee, Francis E. Park Jr., Arthur F. Hayward, William B. Snow, Stephen P. Finnegan, Bernard H. Cogan and Winthrop C. Whitcher.

Voted, To purchase a new gong and apparatus to blow the same for the purpose of perfecting the fire alarm system; and the apparatus to be purchased be that known as the "Le Barron system;" and that the sum of seventeen hundred dollars be appropriated from funds in the town treasury for the purpose.

Voted, That the Selectmen and the Engineers of the Fire Department be a committee to carry the foregoing vote into effect.

Voted, That Walter S. Keene, George H. Allen and Leonard P. Benton be a commitee to investigate the matter of grading the gravel pit of Annie L. Knapp with a view to a settlement of the case; they to report at the next annual town meeting.

Voted, To adjourn.

Town Meeting.

Thursday August 21, 1902.

John W. Cawley was elected Moderator and sworn by the Town Clerk.

Winthrop C. Whitcher moved "That the town vote to request the Railroad Commissioners not to approve the franchise granted by the Selectmen of Stoneham, June 21, 1902, to the Boston & Northern Street Railroad Company to lay double tracks on Franklin street in said town of Stoneham, from Central Square to the Melrose line.

S. P. Finnegan moved to amend the question by striking out the word "not" after the word Commissioners.

The amendment being tried it was

Voted, To amend the original motion by striking out the word "not" after the word Commissioners.

The original motion as amended, being tried, it was

Voted, To request the Railroad Commissioners to approve the franchise granted by the Selectmen of Stoneham June 21, 1902, to the Boston & Northern Street Railroad Company, to lay double tracks on Franklin street in said town of Stoneham, from Central Square to the Melrose line.

Voted, That the Selectmen, Onslow Gilmore and Wesley N. Gray be a committee to appear before the Railroad Commissioners in support of the foregoing vote.

Voted, To adjourn.

Town Meeting.

TUESDAY, November 4, 1902.

The meeting was called to order by Leonard P. Benton Chairman of the Selectmen.

The Chairman announced as Tellers, who had been previously appointed as required by law, who were sworn by the Town Clerk, Clarence S. Lynde, Charles P. Brawley, Seth D. Allen, Alfred T. Peacock, Mert W. Downs, William H. Ahearn, George W. Cromack, William Garside, Jr., Harold W. Whiteman.

The first set of ballots was delivered to the Ballot Clerks who receipted for the same; the ballot box was opened, inspected, the register set at 0, locked, the keys given in charge of Constable Walter H. George; after which the polls were declared open for votes called for under the warrant.

Voted, To close the polls at four o'clock in the afternoon.

The Chairman announced as additional Tellers the following, who were sworn by the Town Clerk: Charles S. Jewett, Patrick J. Murray, Frank W. Johnson, Napoleon P. Bean, Walter Paige, Leon E. Blodgett, Guy Trombetta, Winfield S. Hurd, John F. Cogan, Bernard W. Halpin.

Three "Holt" counting apparatus were used in counting the ballots and two Republican and two Democratic Tellers were appointed on each as required by law.

By unanimous consent of the election officers, the ballot box was opened at two o'clock in the afternoon and ballots taken therefrom for the purpose of counting.

At four o'clock in the afternoon, in accordance with the vote previously taken, the polls were declared closed, at which time the ballot box registered 1193 as ascertained by the Town Clerk.

The check list at the gate had the names of 1188 persons checked as having received ballots.

The check list at the ballot box had the names of 1188 persons checked as having voted.

The number of ballots given out was 1188.

The number of ballots returned to the Town Clerk was 712.

The number of ballots taken from the ballot box as counted by the Chairman of the Selectmen was 1188.

All the ballots cast having been assorted and counted

as required by law, declaration of the same was made as follows:

Number of ballots cast..... 1188

PETITION.

Boston and Northern Street Railway Company.

Boston, May 10, 1902.

To the Honorable Board of Selectmen of the Town of Stoneham:

The Board of Directors of the Boston and Northern Street Railway Company respectfully petition your Honorable Board for an extension of location of tracks, as follows:

Commencing at the dividing line between the town of Stoneham and city of Melrose on Franklin street, and continuing over said Franklin street to Main street, there connecting with the present tracks as now laid, or to be relaid, a second track parallel with the present track; and for the relocation of the present track on said Franklin street, in order to complete a double track through said street; with all necessary curves, switches, cross connections, etc.

Also, for the right to erect and maintain the necessary poles for the support of the overhead wire system, and for permission to operate cars over the above-named named location by electricity. (Signed,)

BOARD OF DIRECTORS OF THE BOSTON AND NORTHERN STREET RAILWAY COMPANY,
By P. F. O'Sullivan, President.

NOTICE.

Stoneham, May 13, 1902.

In accordance with the foregoing petition the Board of Selectmen voted to hold a public hearing in the Selectmen's office in said Stoneham, Monday, June 2, 1902, at eight o'clock in the evening. (Signed,)

LEONARD P. BENTON.
JOSHUA T. NOWELL.
WALTER S. KEENE.

PUBLIC HEARING.

Stoneham, June 2, 1902.

In accordance with the foregoing petition and notice, the Selectmen gave a public hearing in their office, Monday, June 2, 1902.

All persons interested having been heard the hearing

was declared closed, the Selectmen reserving their decision until some future date. (Signed,)

JOSHUA T. NOWELL, Clerk.

ORDER.

TOWN OF STONEHAM JUNE 21, 1902.
IN BOARD OF SELECTMEN.

Ordered on a petition of the directors of the Boston & Northern Street Railway Company, dated May 10, 1902, it appearing that due notice has been given to all parties interested by publication in the STONEHAM INDEPENDENT, May 17, 1902, being fourteen days before a hearing thereon held June 2, 1902, it is hereby adjudged that public necessity and convenience require that this Board grant the location asked for in said petition, and that a location be, and hereby is granted to the said Boston & Northern Street Railway Company as follows:

Commencing at the dividing line between the town of Stoneham, and the city of Melrose on Franklin street and continuing over said Franklin street to Main street, there connecting with the present tracks as now laid or to be relaid a second parallel with the present track; and to relocate the present track on said Franklin street, in order to complete a double track through said street; with all necessary curves, switches, cross connections, etc.

Also the right to erect and maintain the necesssary poles for the support of the overhead wire system; and permission to operate cars over the above named location by electricity.

The said double tracks shall be laid in the centre of the street according to a plan to be filed with and approved by the Selectmen.

The rails used shall be what is known as "T" rails and weighing not less than 70 pounds to the yard.

From Main street to Pine street said Franklin street shall be macadamized from curb to curb, and from Pine street to the Melrose line, that portion of the street between the rails and 18 inches outside of the outside rails shall be macadamized all to the satisfaction of the Selectmen. All said macadam to be as good as that made by the state in said Stoneham from the Boston & Maine R. R. to the Reading line, and keep in a condition satisfactory to the Selectmen or other proper authorities by said railway company between rails and 18 inches outside.

Said Railway Company shall pay said town of Stoneham fifteen hundred dollars as land damages for widening said Franklin street from Pine street to Summer street.

Said Company shall lay its tracks to conform to the grade of said street when said tracks are laid thereon, and thereafter, at its own expense, relocate and lay its tracks so as to conform to the grade of said street, if changed by order of the proper authorities.

Wherever the tracks of said Company cross a street, cross-walk or gutter, or passes opposite to the entrance to any private avenue or driveway, said Railway Company shall make and leave the surface of the street in a safe and convenient condition for travel to the satisfaction of the Selectmen.

Said Company is hereby granted the right to use electricity as the motive power on all its tracks for propelling its cars and for the purpose of conducting electricity as a motive power from any station and from electric power producing machinery to cars, the right to erect poles with or without projecting arms, or other devices which may be necessary therefor, and to connect the same with supply

wires, for the purpose of supplying electricity to cars, and also to construct and maintain such stay wires and other wires as may be necessary to properly construct and maintain the overhead system of electric railway known as the "Trolley system."

All posts, poles and other devices erected for the purpose aforesaid shall be located with the approval of the said Selectmen, and shall be placed so as not to interfere with the public use of said highways, and all said posts and poles shall be set in such a manner as not to interfere with private driveways, and shall not be set in front of entrances to public buildings or dwellings. All electrical equipment shall be done by said Company in a workmanlike manner, and all poles shall be round, reasonably straight of good sound timber and painted.

One top gain shall be reserved on each pole erected by said Company for free use for wires belonging to the said town, and the said town shall have the right to string its wires thereon.

All poles and wires of said Company within said town, shall be under the superintendence of the Board of Selectmen, its duly appointed agent or any superintendent of wires hereafter duly appointed.

All trimming of trees shall be done under the direction of the Tree Warden of Stoneham.

Said Railway Company shall clear snow from its tracks in such a manner as may be approved by the superintendent of streets or other officer having authority from said town.

Said Company shall use good appliances, rolling stock and machinery, and keep the same and all tracks, appliances and property used in connection therewith in first class order, and the street in which tracks are laid, under this location, shall be left by said Company in as good and safe

condition for public travel as the same may be when the laying of said tracks is commenced, all to the satisfaction of the Selectmen.

In case said Company shall refuse or neglect to keep its tracks, roadbed, structures and appliances in a condition safe and convenient for public travel within the requirements of the statutes and of this grant of location, necessary and reasonable repairs may be made thereon, under the direction of the Selectmen, and the expense thereof shall be borne by said Company.

When it shall be necessary for any person or persons to move across or along where said track is located, any house or other building of such height or size as to interfere with any of the poles or wires of said Company, the said Company shall, upon receiving at least twenty-five hours notice in writing, temporarily remove the poles and wires so far as necessary to allow the passage of such house or other building, for a reasonable period of time, the expense to be borne by such parties as the Selectmen may determine.

Children shall be carried to and from school at half fare.

The fare from any part of Stoneham to Malden Square shall be five cents, when this location is approved by the Railroad Commissioners.

As soon as practicable, and in any event as soon as the tracks located under this order are laid, through cars shall be run from Stoneham Square to Boston and reverse at such time and manner as will accommodate the public travel.

The Selectmen may from time to time make such regulations as to the manner and extent of use of tracks, and the number and use of cars as the interest of the public travel may require.

Said Company shall pay all expenses and damages, and save said town of Stoneham harmless and indemnified from

all loss, cost, damage or expense in consequence of, and arising out of the construction or operation of said railway.

Nothing herein contained shall be construed to abrogate or in any way nullify any statute right of the town, or liability or duty of said Railway Company with reference to the construction or operation of said railway.

If the location herein granted is not built upon, and all conditions complied with on or before July first, nineteen hundred and three (1903), said location, as above granted by the Selectmen, shall be null and void.

The word "the" on page 1, and "location" on page 4, inserted before signing. (Signed,)

LEONARD P. BENTON,
JOSHUA T. NOWELL,
Majority of the Board of Selectmen
of the town of Stoneham.

ACCEPTANCE.

Boston and Northern Street Railway Company.
In Board of Directors.
July 16, 1902.

Voted, That the order passed by the Board of Selectmen of the town of Stoneham, under the date of June 21, 1902, granting this Company authority to build a second track on Franklin street parallel with the present track and to relocate the present track on said Franklin street, in order to complete a double track through said street, commencing at the dividing line between the town of Stoneham and the city of Melrose on said Franklin street, and continuing over said Franklin street to Main street, there connecting with the present tracks as now laid, or to be relaid, and the right to erect and maintain the necessary poles for the support of the overhead wire system, and permission to

operate cars over the above named location by electricity as a motive power, together with all the conditions therein contained, be, and is hereby accepted, and the Clerk is hereby instructed to file a copy of this vote of acceptance with the Chairman of the Board of Selectmen.

(Signed,)
CHARLES WILLIAMS, Clerk.

I, Charles Williams, Clerk of the Boston and Northern Street Railway Company, do hereby certify that the above vote was passed by a majority of the Directors of this Company at a meeting duly called and held in accordance with its by-laws, at which a quorum was present and voted.

(Signed,)
CHARLES WILLIAMS, Clerk.

ACCEPTANCE.

To the Honorable Selectmen of the Town of Stoneham.

The Boston and Northern Street Railway Company, hereby accept, subject to and in accordance with all general laws thereto applicable, the location of the Company's tracks as granted by your order dated June 21, 1902, and certified to by the Honorable Board of Railroad Commissioners of the Commonwealth of Massachusetts, in accordance with the provisions of Chapter 399 of the Acts of the year 1902, by a certificate dated October 7, 1902, which location is as follows:

Location and relocation of tracks from the Melrose line on Franklin street, to Main street.

And by this acceptance said Company further accepts such of the restrictions and conditions in said grant of location contained as are within the power of the Selectmen to

impose under the provisions of Chapter 112 of the Revised Laws of Massachusetts and any other acts thereto applicable but none other.

(Signed,)
BOSTON AND NORTHERN STREET
RAILWAY COMPANY.
By CHARLES WILLIAMS, Clerk.

BOSTON, MASS., November 4, 1902.

BOSTON AND NORTHERN STREET RAILWAY COMPANY.
IN BOARD OF DIRECTORS.
November 4, 1902.

Voted, That the foregoing acceptance, dated November 4, 1902, of locations for the Company's tracks in the town of Stoneham, which has been read at the meeting, be, and the same is hereby, approved and adopted as a part of this vote, and that the Clerk be, and he is hereby authorized to sign the same in the name and on behalf of this Company and of the Board of Directors, and to file the same with the Honorable Selectmen of the town of Stoneham.

(Signed,)
CHARLES WILLIAMS, Clerk.

BOSTON, MASS., November 4, 1902.

I, Charles Williams, Clerk of the Boston and Northern Street Railway Company, do hereby certify that the above vote was passed by a majority of the Directors of this Company at a meeting duly called and held in accordance with its by-laws, at which a quorum was present and voted.

(Signed,)
CHARLES WILLIAMS, Clerk.

REPORT

OF THE

BOARD OF SELECTMEN.

To the Citizens of Stoneham:

The Board of Selectmen have the honor of submitting the following report for the year ending January 31, 1903.

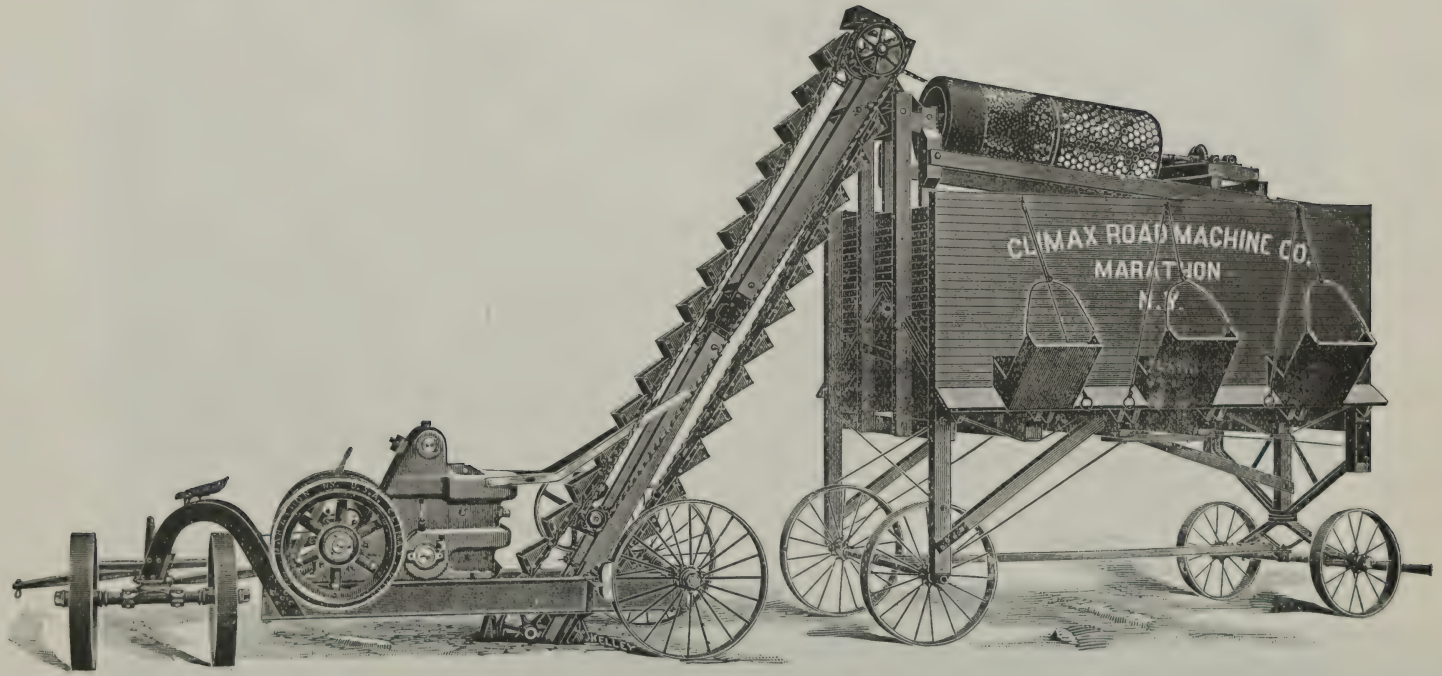
FINANCES.

For the financial condition of the town, we refer you to the report of the Town Treasurer, Fred E. Nickerson.

HIGHWAYS.

This department has been in charge of Superintendent L. P. Benton, under the direction of the Board, and we feel that your appropriation has been carefully and judiciously

METHOD OF MOVING CRUSHER WITH ROAD ROLLER.



CRUSHER IN OPERATION.

expended. The almost entire lack of gravel suitable for road building to be found in the town makes some action on your part looking toward the construction of stone roads imperative. It was with great difficulty that sufficient material was obtained for the present year; therefore we would recommend the purchase of a portable stone crusher. This will enable us to make our material in the immediate vicinity of construction, thereby saving long hauls by teams, the most expensive part of our work. Abundance of stone can be found in almost any locality for this purpose.

With our present appropriation only a small amount of permanent work can be accomplished each year, and we are of the opinion that it would be economy on the part of the town to either create a public debt for the permanent building of our principal highways, or the increase of our annual appropriation by the addition thereto of the Street Railway Tax for the purpose. The streets receiving the most attention have been Tremont, Waverly, Central, Emerson, Pine and Cottage streets. Washington and Marble streets should receive early attention, and Franklin street, when double-tracked, should be permanently built.

With our road roller and portable crusher, we shall be well equipped for the most economical use of our appropriations. We herewith submit cut of crusher and method of moving same from place to place with road roller.

NEW STONE CRUSHER.

CONVENIENCE IN FEEDING.

A glance at the half tone illustrations of various CLIMAX plants shows the immense advantage of this machine in the convenience of feeding. A platform may be built over the entire machine within six inches of the top of the crusher's mouth, upon which carts or wheelbarrows may be run and

their contents dumped at the mouth of the machine. This feature alone enables one man to feed double the stone through a CLIMAX Crusher than is possible for him to do through other machines.

MATERIAL.

Every piece of metal which enters into the construction of the machine is especially selected with reference to its adaptability for the service which it has to perform. The frame, as before stated, is made of the very best quality of iron, having a tensile strength of at least 30,000 lbs. per. inch, the lever and jaw of open hearth steel castings, the shafting of open hearth hammered steel accurately turned.

METHODS OF MOVING.

When it is desired to move the machine, a few turns of a rachet on the side of the frame raises the elevator to a position so that the bottoms of the buckets are just flush with the bottom of the steel skids on which the crusher rests. The center of gravity is low to the ground, so there is practically no danger of overturning the machine even on very rough ground. The track of the wheels is wide, and by "overhanging" the axle, we are enabled to use wheels of large diameter and still keep the top of crusher as near the ground as possible and have the skids clear sufficiently to pass over uneven roads. The wheels are steel, with staggered spokes, and of sufficient capacity to carry double the load placed upon them. On the No. 1 Crusher the tires are five inches wide, and six inches wide on the No. 1½ and 2. The axles are of steel, turned at the ends to fit the hub, and on No. 2 the axles are trussed.

GUTTERS.

A great deal of injury results to our highways each

year by reason of obstructions in our gutters by the trees. We are of opinion that all shade trees in our highways which in any way impede the free flow of water, should be removed at once; and all new gutters constructed should be of stone paving.

STONE CRUSHER.

In the event of your deciding not to purchase a portable crusher, it will be necessary to make an appropriation for the removal and repair of the old crusher, as the stone in the immediate vicinity has become exhausted. This season we have been compelled to purchase and blast ledge rock and haul a long distance to the crusher, which is expensive and should be dispensed with.

LEDGE STREET.

See Report of Superintendent of Streets.

POLICE DEPARTMENT.

This department has been under the management of Chief Green, who, with his able corps of assistants, has preserved excellent order, and it is a source of much gratification to us that not a single complaint has been entered against this department.

FIRE DEPARTMENT.

The Fire Department, under the direction of Chief Sturtevant, ably supported by his assistants, has maintained the high reputation attained by this department in past years, and we are proud to say stands second to none of equal cost in this vicinity.

FIRE ALARM.

The new Fire Alarm has been installed within your appropriation, and much credit is due our Board of Fire

Engineers and the contractors, Messrs. LeBarron and Johnson, for their indefatigable efforts to fully meet the contract requirements, which we feel has been attained.

With free power from the Boston & Northern Street Railway Company, the cost of our Fire Alarm in future will be little more than the interest on the investment.

STREET RAILWAYS.

Your Board has made an especial effort to improve conditions in this line, persistently urging upon the company the necessity of better accommodations. In this we have been successful in a degree, securing a re-surfacing of a portion of Elm street, the removal of many unnecessary poles, and a very much improved class of cars; and we expect by July 1st of the present year, or as soon as the double tracking of Franklin street shall have been accomplished, (see grant of location and acceptance, page 57) Stoneham will have a through service to Boston, which, although not entirely satisfactory, should prove beneficial in a large measure. Efforts made in the past should be continued until we shall have secured direct communication with the Elevated at Everett or Malden.

LAW SUITS.

In the case of Metcalf Adams vs. the Town of Stoneham, a verdict of $300 was returned for the plaintiff, which has been set aside and a new trial granted the town.

In the case of Anthony A. Rhuland against the Town of Stoneham, a verdict of $775 was returned against the town.

Margaret Goodwin against the Town of Stoneham, a settlement was obtained at an expense of $93.

During the past year only one suit has been brought against the town—that of Warren E. Locke of Somerville,

who sued the Town of Stoneham and the Boston & Northern Street Railway jointly, for injuries sustained by being struck by a tree while on the running board of the car on Franklin street, near Summer. In this case our attorney succeeded in securing a release of the town from the action.

PERAMBULATION OF LINES

August 15, 1902, the line between Stoneham and Reading was viewed and bounds found in proper condition. Present, George A. Shackford, John F. Turner, Selectmen of Reading, Leonard P. Benton and Joshua T. Nowell, Selectmen of Stoneham.

On October 25, 1902, your full Board met with a committee from the city of Medford, consisting of Aldermen Edwin F. Smith, City Engineer Wm. Gavin Taylor and Street Commissioner A. H. Kimball, and visited the bounds between the town of Stoneham and city of Medford, all of which were found in proper condition, except one which had been buried by the construction of the highway near the pond. Arrangements have been made to re-establish this bound.

JURORS DRAWN.

March 25, 1902, John G. Beede and Charles F. Blodgett.

May 27, 1902, George Teele and William F. Cowdrey.

September 23, Charles S. Jewett and George Symmes.

September 30, Aaron Hill and James Keenan.

December 23, Winthrop P. Hay and George W. Whitney.

IN CONCLUSION.

Your Board desires to extend its thanks to the various departments and the citizens generally for their courtesy

and generous co-operation with us to make the year one of peace and general prosperity. We feel that with the new industries locating within our borders, and improved transit facilities, it is only a question of a short time when we shall feel the effect, in increased realty values and as a result a gradual reduction of our unavoidably high tax rate.

LEONARD P. BENTON.
JOSHUA T. NOWELL.
WALTER S. KEENE.

REPORT

OF THE

SUPERINTENDENT OF STREETS.

To the Honorable Board of Selectmen,

Gentlemen: — I respectfully submit the following report of the Highway Department for the year 1902:

WAVERLEY STREET.

This street has been rebuilt the entire length with a crushed stone foundation and a gravel covering thoroughly rolled.

TREMONT STREET.

This street was nearly wiped out of existence with the heavy rains of the winter and spring of 1902. It has been rebuilt the whole length with gravel taken from the Knapp pit and stone and gravel from the town pit on Washington street. On this street the road roller was used to good advantage.

COTTAGE STREET.

Cottage street has been graded from William street to the B. & M. R. R. track with gravel taken from the Stevens pit, and from the railroad to Montvale avenue repaired, so the street is now in good shape the whole length. One new catch basin was put in and the gutters repaired on the west side, also the old catch basin repaired with a new cover. The railroad company has moved its gate house off the street which is a great improvement. The road roller was also used here.

OAK STREET.

On this street there was a large washout south of the bridge, which has been thoroughly repaired with about one hundred two horse loads of stone and gravel.

EMERSON STREET.

This street has been rebuilt from Central to Pine streets with crushed stone foundation and gravel top, rolled.

FULLER STREET.

Fuller street has been repaired and is in good condition, also Block street.

CENTRAL STREET.

Central street has been Macadamized from Central square to Emerson street and edgestone set on the east side from the square to Emerson street and from Emerson street to Tidd street it has been graded with gravel and that part of the street is in good repair.

SPENCER STREET.

This street has been used for the last few years for a

dumping ground for rubbish. This has been stopped and the street levelled off so it is now in good shape.

PINE STREET.

This street has been graded from near Spencer's carpenter shop to Emerson street with a stone foundation and that part of the street is now in good condition.

CEDAR AVENUE.

This avenue and the gutters have been repaired from Chestnut street to the house of P. C. Jones.

Harrison street and North avenue have been repaired and are in good order.

LEDGE STREET.

This street is a new one running from Maple street to Grand View avenue. It has been built twenty feet wide and is in fair shape for travel. The cost to the present time has been $455. There should be about $300 more laid out on the street and then it would be as good as any in town.

HANCOCK STREET SIDEWALK.

Last year there was raised $125 to build a gravel sidewalk on the north side of this street, commencing at the west line of Willard Massey's land and running to Park street. The money was spent on this walk and it only partially graded it and I would recommend the sum of $200 to put in the retaining wall and finish up the job.

The brook that crosses Montvale avenue near Chestnut street has been walled on each side for about 25 feet.

There has been a new drain built near the house of Mr. Jenkins across Elm street for a distance of eighty-four feet, with a 24-inch drain pipe. Also a drain on Lincoln and

Marble streets with an 8-inch pipe, the total length of which is 300 feet. Two catch basins have also been built on Lincoln street.

CONCRETE SIDEWALKS.

A new concrete sidewalk has been laid on the west side of Isabella street the whole length of the street. Also on the east side of Green street from Spring street to the north bounds of S. O. Carter's land; also on Hancock street from Pond to Summer streets and on Summer street for about 50 feet; also on Cedar avenue in front of the estate of B. J. Hinds and on Franklin street from the Melrose line to the house of B. F. Lyon.

REPAIRS OF SIDEWALKS.

The concrete sidewalks and gutters have been repaired on the following streets: Gerry, Pond, Middle, Chestnut, Main, Spring, Gould and Cedar avenue. The sidewalks throughout the town are now in good repair except on Elm and William streets.

STONE CRUSHER.

The stone crusher should be moved to some place where the material is more handy than at the present time, or the town should buy a portable crusher. There is one that can be bought and moved from place to place at a very little expense.

ROAD ROLLER.

The roller has been used on all of the repairs that have been made on the streets this season, at a cost of:

Labor	$229.00
Coal and Wood	89.00
Oils and Repairs	10.00
Total	$328.00

TOOL HOUSE.

There has been built on the south side of the new schoolhouse lot on Pleasant street a house for the roller and other tools of the town, at an expense of about $300, so the Highway Department has a good storehouse for all of its tools.

STREET WATERING.

This department has been under the charge of Charles H. Taylor and the work has been thoroughly done.

Respectfully submitted,

L. P. BENTON,
Superintendent of Streets.

REPORT

OF THE

SEWER COMMISSIONERS.

To the Citizens of Stoneham:

Your Board presents the following report for the year ending January 1903.

CONSTRUCTION.

There has been but little new construction work during the past year. Six hundred and fifty-one (651) feet of six (6) inch sewer has been constructed in Green street, being an extension from Bow street, North-East.

Four hundred and ten (410) feet of six (6) inch underdrain was also laid at the same time.

The total cost of the extension amounted to Five Hun-

dred Eleven Dollars ($511.39) thirty-nine cents or $.785 per ft.

HOUSE CONNECTIONS.

There has been forty-five (45) connections made during the year, aggregating 2469 feet at a cost of Twelve Hundred Eighty-Five Dollars ($1285.67) sixty-seven cents or fifty-two ($.52) cents per foot. This makes a total of 421 connections as per following table:

YEAR.	NO. OF FEET.	COST.	PER FOOT.
1896	2535	$1499.48	$.59
1897	3368	1774.33	.52 69-100
1898	3229	1373.33	.42 53
1899	3184	1571.10	.49 75
1900	4349	2325.00	.53 70
1901	2721	1500.24	.55 10
1902	2469	1285.67	.52 00

Average per ft. 52.09

MAINTENANCE.

The various lines of sewer have been gone over at regular intervals, scraped with steel brushes and flushed. The regulator on Montvale avenue, where connections with the Metropolitan system is made, kept clean; and also the Weir manhole in Wyoming avenue, regularly inspected.

Some little trouble has been occasioned by roots of trees on our streets getting into the underdrain, and in some instances completely blocking same, a particularly bad place being found on Maple street between Warren and Wright.

STEPHEN P. FINNEGAN,
HENRY A. SMITH,
WILLARD MASSEY,
Sewer Commssioners.

REPORT

OF THE

CHIEF OF POLICE.

To the Honorable Board of Selectmen,

Gentlemen: — I submit the following report of the work of the Police Department for the year ending January 31st, 1903:

REPORT

OF THE

TRUSTEES OF PUBLIC LIBRARY.

TO THE CITIZENS OF STONEHAM:

The Trustees of the Public Library herewith respectfully present their annual report.

The use of the Library by our townspeople best demonstrates its place as a factor in the literary life of our town. Such books have been added during the past year as seemed best suited to the wants of our patrons, and our book appropriation would allow. We were very fortunate in securing, at the close of the year, a set of sixty-seven volumns of Harper's Monthly magazines, from the first publication in 1850, down to 1883, with an index for the first twenty years, and the town may now congratulate itself on owning one of the few complete sets of Harper's Monthlies possessed by public

libraries in this state. Our reading room has been used to the limit of its capacity.

Our Librarians, Mrs. M. H. Boyce and Miss Sarah A. Lynde, have given their services unstintingly to the patrons, and their work in preparing the exhibitions of Scenes in Australia and New Zealand, and Birds of New England, were worthy of all of our citizens to see as an art educational incentive.

The cost of rebinding books each year increases with the growth of our library, and the total this year astonished the Trustees, (more than $138) and it behooves every patron of the Library to be as careful as possible in the handling of our books.

We have been enabled, through economy in other ways, to place a new quartered oak table in the delivery room, corresponding in finish to our delivery table and card-catalogue case.

"We cannot vie with neighboring towns in the elegance of a new library building," will not be true if our citizens are alive to their opportunity through the influence of Congressman Ernest W. Roberts and Hon. William R. Smith, superintendent of the National Botanical Gardens, Washington, D. C., Mr. Andrew Carnegies generosity has been touched, prompting him to make the very liberal offer of $15,000 to the town for the erection of a Library Building. The patrons as well as the Trustees feel very much the need of more extensive quarters, quarters better adapted to the needs and use of the Library; and as Mr. Carnegie's conditions do not require any larger expenditure for the maintenance of the Library, than the town now appropriates, we hope our citizens will give his proposition favorable consideration.

The following table records the circulation of books during the year 1902-03:

	Magazines.	Philosophy and Religion.	Sociology.	Natural Science.	Useful and Fine Arts.	Literature	History.	Travel and Description.	Biography.	Fiction.	Total.

REPORT

OF THE

Engineers of Fire Department.

To the Honorable Board of Selectmen:

The Board of Fire Engineers respectfully submit the following report for the year ending January 31, 1903.

There has been 32 alarms as follows:

February 15. Fire on land of Morrison farm, Oak street. No loss. Cause, burning grass.

February 15. Grass fire on the Dr. Stevens estate, Main street. No Loss. Cause, spark from locomotive.

March 6. Fire in stable on Pond street owned by heirs of Frank Murphy. Damage slight. Insured. Cause unknown.

March 8. Fire in house on Tidd street owned by heirs of Wm. Tidd. Damage slight. Insured. Cause, defective flue.

March 23. Grass fire north side of Montvale avenue near Woburn line. No damage. Cause unknown.

March 27. Grass fire north side of Spring street near East street. No damage. Cause, burning brush.

April 1. Fire in Langwood Hotel on Woodland road. Loss covered by insurance. Cause, defective flue.

April 2. Fire in house of Dr. Cogswell on Woodland road. Loss covered by insurance. Cause, sparks from hotel fire.

April 2. Fire in hen house on Forest street owned by Perley Dyer. Loss $1500.

April 4. Fire in house on Green street owned by B. N. Brown. Cause unknown. Insured.

April 4. Grass fire on Spring street, on land of R. B. Chapman and others. No damage. Cause, burning brush.

April 4. Fire in storehouse on West street owned by T. B. Hadley. Cause incendiary. Damage slight.

Still alarm for fire in shoe factory on Main street owned by P. Cogan & Sons. Loss covered by insurance.

April 5. Fire in house on Elm street owned by W. S. Butler. Cause, unknown. Loss covered by insurance.

April 7. Still alarm for fire in ruins of Hotel Langwood. No damage.

April 15. Fire in house on Everett street owned by heirs of Abbie Hutchins. Cause, explosion of naptha. Insured.

April 16. Brush fire on land of E. Gerry and others, Main street. No damage.

April 25. Brush fire on land of Sumner Richardson. No damage. Cause unknown.

April 25. Brush fire on land of T. B. Hadley, off West street. No damage. Cause unknown.

June 15. False alarm from box 53.

June 22. Fire in house on Tremont street owned by Michael Rooney. Cause unknown. Insured.

July 4. Fire in storehouse rear of Colahan building, Main street. Damage slight. Cause, incendiary.

July 4. False alarm from box 29.

August 11. Fire in house on Oak street owned by Angelo Sacco. Cause, incendiary. Insured.

September 11. Fire in house on Franklin street owned by Mrs. Lawless. Cause, incendiary. Insured.

November 1. Fire in house on Forest street owned by J. B. Pierson. Cause, defective flue. Insured.

November 2. Fire in house on Spring street owned by J. P. Jackson. Cause unknown. Insured.

November 5. Fire in house on Spring street owned by J. P. Jackson. Cause, incendiary.

December 7. Still alarm for fire in the old Baptist chapel, Common street. Cause, defective flue.

December 9. Fire in house on Franklin street owned by C. J. Abbott. Cause, heating water pipes. Insured.

January 19. Fire in house on Lincoln street owned by C. H. Brown. Cause, explosion of lamp.

January 23. Fire in house on Maple street owned by James Fairchild. Cause, explosion of gasoline. Insured.

During the year property to the value of $196,325 has been endangered by fire; on which there has been a gross loss of $43,673.21. Insurance has been recovered to the amount of $41,868.21, leaving a net loss of $1,805.

There has been used at fires during the year 24,650 feet of hose and 1,015 feet of ladders.

Some of the wagons should be painted and varnished during the coming year, also some repairs made in the several rooms used by the department.

During the past year a compressed air plant has been installed for blowing the gong for fire signals, and thus far has proven a success, and we consider it a valuable addition to the department.

We wish to thank the members of your Honorable Board for the assistance and encouragement given us in the discharge of our duty during the year.

To the officers and members of the several companies we extend our sincere thanks for the willing and efficient manner in which they have performed their duty.

Our thanks are also due the Police department for their aid rendered at fires, and to the citizens of the town for their generous support during the past year.

Respectfully submitted,

GEORGE E. STURTEVANT, Chief,
LOUIS F. BRUCE,
A. J. SMITH, Clerk,
Engineers Stoneham Fire Department.

REPORT

OF THE

OVERSEERS OF POOR.

To the Citizens of Stoneham:

In submitting our annual reports for the year ending January 31, 1903, we are again pleased to be able to state that the Almshouse and Farm have been under the efficient and faithful care of Mr. Hiram H. Lufler as Superintendent, and Mrs. Caroline Lufler as Matron. The farm has been kept under a good state of cultivation, and the house in an orderly and tidy condition, well arranged and cared for. The general appearance of the house, outbuildings and grounds speak well for the Superintendent and Matron, and we feel that the town is very fortunate in being able to retain them. It is certainly a source of gratification to the Overseers. We feel that the inmates are kindly cared for and that economy has been used by both Matron and Superintendent. There has been two deaths at the Farm since our last report; Charles Persons and Joseph Bryant.

The condition of the buildings is fairly good. It will be necessary to make some repairs this year, such as shingling the barn and shed. For a detailed statement of receipts and expenditures we beg to refer to report of Auditors.

The whole number of persons cared for at the Farm during the year has been twelve. The disposition of each case appears below.

No.	Name.	Age.	Admitted.	Ended.
3	Samuel Gerry,	69	Dec. 2, 1858.	Continues.
5	Leander F. Goodwin,	66	June 6, 1881.	"
80	Maggie W. Bailey,	43	Nov. 17, 1883.	"
141	George W. Cowdrey,	56	Feb. 6, 1892.	"
156	Joseph Bryant,	78	Oct. 21, 1893.	Died Jan. 16, '03.
187	Patrick Thornton,	74	Dec. 4, 1896.	Continues.
201	Elbridge G. Goodnow,	89	Sept. 21, 1899.	"
204	Charles Persons,	77	June 30, 1900.	Died Nov. 8, '02.
205	John B. Clough,	61	Dec. 4, 1900.	Continues.
207	F. H. Keegan,	42	Nov. 1, 1901.	Dis. Apr. 12, '02.
209	Phoebe Langley,	73	Dec. 10, 1900.	Dis. Oct. 21, '02.
212	John Robinson,	70	July 12, 1902.	Continues.

MINOR CHILDREN.

Edward N. and William A. Latham three and two years old, were taken in charge by the State Board of Charity, State House, Boston.

OUTSIDE RELIEF.

We are pleased to note a decrease in number of cases requiring outside relief during the year.

POOR BELONGING IN STONEHAM BUT LIVING IN OTHER TOWNS AND CITIES.

We have again to call attention to the large number of calls to assist people outside of Stoneham; most of them people who moved from town many years ago. This comes from the practice in most of the large cities of abating the poll tax, thus preventing the gaining of a settlement.

The Overseers feel that, taking in consideration the high prices, especially of fuel, during the past year, and that while we have reduced the valuation on the personal property at the Almshouse very considerably, still we make a better financial showing than the year before. This, in

part, may be accounted for by the aid rendered the worthy poor by the many benevolent societies of the town; and thanks of the Board is extended to them all for this timely and substantial assistance.

INSANE.

The insane supported by the town in the several institutions of the state, appear below.

Mary Russell at Worcester.
Ellen Daley at Danvers.
Hattie A. Chase at Danvers.
Margaret Murphy at Danvers.
Wayland W. Elliott at Danvers.
William J. Theobald at Danvers.
Josiah M. Swett at Danvers.
Hannah M. Nelson at Danvers.
Mrs. James Grant at Danvers.
Charles Dotey at Medfield.
Richard Barnstead at Medfield.
Alice E. Murphy at Westboro.
Arba A. Clark at Wellsley.
Leon Gay at Wellsley.
Maud R. Quinlan at Monson died March 30.

It would seem that Stoneham has a very large per cent. of insane. It is expected that the state will next year take charge of all the insane, and the expense be divided among the towns and cities of the state, pro rata.

JOHN W. CAWLEY,
JOHN G. BEEDE,
WILSON A. BARTLETT,
Overseers of the Poor.

REPORT

OF THE

TOWN PHYSICIAN.

To the Overseers of the Poor:

Gentlemen:—I submit the following report of my duties as Town Physician for the past year.

It has been my aim to render prompt and faithful service to the sick, both at the Town Farm and to the poor outside.

I hope, for the welfare of the inmates and good of the town, your Board may be able to persuade those now in charge to remain. The position is a very confining one, not only to the man in charge of the farm work, but especially to the matron. Often the duties of the matron, to say the least, are not pleasant, and her work is continuous from early morn to late at night.

POOR FARM.

No Births.	No Deaths.	60 Visits.

OUTSIDE POOR.

One Birth.	Two Deaths.	199 Visits.

Yours Respectfully,

A H. COWDREY, M. D.

REPORT

OF THE

BOARD OF HEALTH.

To the Citizens of Stoneham:

Your Board of Health submits the following report for the year ending January 31, 1903.

APPOINTMENTS BY THE BOARD.

John C. C. Small, Health Officer.

George N. Green, Agent, with authority to issue burial permits and certificates of registry.

Greenleaf S. Tukey, Inspector of Plumbing.

Greenleaf S. Tukey and the Board, Examiners of Plumbers.

The Board inspected, during the year, five alleged nuisances.

In connection with this report we submit the report of Inspector of Plumbing.

REPORT OF THE INSPECTOR OF PLUMBING.

To the Honorable Board of Health,
Town of Stoneham.

Gentlemen: I respectfully submit the following report of duty performed for the year ending Jan. 31, 1903.

Applications Granted	74
Left Over From Last Year	1
Calls Answered	176
Water Closets	62

Bath Tubs	19
Bowls	15
Sinks	71
Traps	12
Alterations	10
Urinals	3
Hip Baths	1
Sewer Connections	41
Cesspools	9
Examination of Journeyman Plumber	1

All work has been tested, inspected and left in a safe and satisfactory condition.

Under our new ordinance, the work stands first class, par excellence, and is to a standard, equalled by none.

I most heartily thank the Board, the craft and all concerned for all their kind co-operation rendered me.

Most respectfully,
GREENLEAF S. TUKEY,
Inspector.

Jan. 31, 1903.

REPORT OF CONTAGIOUS DISEASES FOR 1902.

Small Pox	1
Varioloid	1
Diphtheria	9
Measles	15
Typhoid Fever	5
Scarlet Fever	7

Respectfully submitted,
A. B. JENNEY, M. D.,
JOHN C. C. SMALL,
LINWOOD L. GOVE,
Board of Health.

REPORT

OF THE

TREE WARDEN.

To the Citizens of the Town of Stoneham:

I respectfully submit the following

REPORT.

At the annual meeting March 3, 1902, the town appropriated for the use of the Tree Warden the amount of $246. I have expended this amount in trimming the shade trees which were dangerous to the public, and in caring for trees which were being injured by electric wires on our highways.

The sum of $300 was appropriated for the purpose of exterminating the brown tailed moth. I have expended this amount for that purpose to the best of my ability, and feel that good results have followed. This amount is altogether too small for the purpose, and I would recommend that the sum of $800 be appropriated for this purpose the coming year. I would also recommend the sum of $300 in addition for the removal of dead trees and trimming. For detailed statement see Auditor's report.

I wish to thank the officials of the Boston & Northern Street Railway Company for their assistance in removing the large tree on Elm street.

All of which is respectfully submitted.

WALTER H. GEORGE,
Tree Warden.

ANNUAL REPORT

OF THE

PUBLIC SCHOOLS

OF THE

TOWN OF STONEHAM

FOR THE

YEAR ENDING JANUARY 31st, 1893.

SCHOOL COMMITTEE 1902-03.

	Term Expires.
FRANCIS E. PARK, Chairman, . . .	1903
GRACE P. MANN, Secretary, . . .	1904
HERBERT H. RICHARDSON, . . .	1905

CHARLES E. STEVENS, Superintendent.
9 Cedar Avenue.
Telephone, "Winchester 129-7"

Office—High School.
Office Hours:
8 to 8.45 Tuesdays, Fridays; 4 to 5 Fridays.
School Days Only.

SCHOOL CALENDAR.

1903.

Spring term begins Tuesday . . . March 31.

Holiday, June 17.

Spring term ends . . . . . June 19.

Fall term begins Tuesday . . . . Sept. 8.

Vacation, Thanksgiving week, beginning Wednesday noon.

Fall term ends Wednesday . . . . Dec. 23.

1904.

Winter term begins Tuesday . . . . Jan. 5.

Winter term ends . . . . . March 18.

Spring term begins Tuesday . . . April 5.

The Winter Term and the Spring Term of the High School and Ninth Grade close one week later than indicated above.

REPORT

OF THE

SCHOOL COMMITTEE.

To the Citizens of Stoneham:

Your Committee take great pleasure in presenting to your consideration the several excellent reports of the Superintendent of Schools and the special teachers.

The year has been marked by growth in many lines, both as regards number of scholars and improved methods of teaching.

We have, in common with the whole country, been confronted with the coal problem and have met the difficulty as best we were able. Owing to the increased price of coal, our expense in that line has been increased about $500, but as we have heard the reports from other towns as to the increased cost of heating the schools, we have felt a little pride in our showing in this respect.

With the coming term, on account of the large increase of pupils it will become necessary to open a new school in the old high school building, which will entail an expense, including the salary of an extra teacher, new desks, etc., of about $700. This and the increased cost of fuel will render it necessary to ask for a larger appropriation this coming year in order to pay the bills. For the support of schools for the ensuing year we recommend the appropriation of $25,700 and the unexpended balance of this year, to be expended approximately as follows:

Salaries, (including superintendent) fuel and care.	$21,200
Books, supplies and incidentals.....	2,800
Tuition.....	1,575
Secretary and care of books.....	125

Respectfully submitted,

FRANCIS E. PARK.
GRACE P. MANN.
H. H. RICHARDSON.

FINANCIAL STATEMENT.

RECEIPTS.

Town Appropriation March 1902.	$25,000.00
Tuition of State Wards.....	145.50
	$25,145.50

EXPENDITURES.

Salaries, fuel and care.....	$20,520.89
Books and Supplies.....	1,736.45
Repairs and Incidentals.....	1,397.96
Tuition, Melrose and Wakefield.....	449.15
Salary, Secretary and School Committee.....	125.00
Uuexpended Balance.....	916.05
	$25,145.50

REPORT

OF THE

SUPERINTENDENT OF SCHOOLS.

To the School Committee:

I have the honor to present herewith my ninth annual report as Superintendent of the Schools of Stoneham.

The total average membership for the year ending June 27, 1902, was 1014, an increase of 38 over the preceding year. The average membership for the fall term was 1085, an increase of 66 over the same term of last year. At the opening of school in September we had a registration of 1100, 70 more than the year previous. This large increase crowded all the intermediate grades, making an additional school greatly needed. But by numerous transfers and the placing of additional desks in several rooms all were seated without opening another school. But the necessity still exists, and with the approach of warm weather will become more evident. We have reached the limit of present accommodations and admission of additional pupils this spring will have to be refused unless additional provision is made.

We have about the same number of pupils near the Melrose line, as one year ago. The last semi-annual tuition bill contained the names of 54 pupils and the amount was $655. Several of these pupils live between Spot Pond and the Melrose line. There are twelve others living in the Fordell Park section, who come this way to school.

Owing to the scarcity of fuel the School Committee closed the schools for the Christmas vacation a week earlier than usual, moved the seventh and eighth grades to the new high school building and placed the sixth grade back in the

old town hall building. This change removed all schools from the old high and the building was closed for the winter term. These changes, although causing some interruption, and curtailing conveniences for work, reduced the fuel bill and effected a net saving of about two hundred dollars.

Few changes have occured in our teaching force this year. Miss Alice Hazelton of the North and Miss Abbie Hazelton of the East, resigned to accept offers of larger salary from Chelsea and Somerville respectively. We regret to learn that Miss Martha Wentworth, who was compelled by illness to give up teaching about a year ago, has since died.

The following teachers have been elected this year: Miss Mary E. Corcoran, a graduate of Stoneham High and Salem Normal schools; Miss Marion A. Spaulding, a graduate of Framingham Normal school; Miss Florence A. Healey, educated and trained in our own schools. The town is fortunate in being able to retain the services of so many excellent teachers.

Frequently it happens that teachers are ill and unable to be in school. Substitute teachers for a day or two are not readily obtained at short notice, and for this reason pupils are often dismissed. Possibly it may be advisable, in union with Saugus, to employ a permanent substitute.

By a regulation of the School Committee, recently adopted, lady teachers who get married will immediately sever their connection with the schools. This action applies to the present teachers as well as any who may hereafter be employed.

In addition to the usual teachers' meetings, valuable service has been rendered us by several specialists. Mr. A. W. Clark addressed the teachers helpfully on penmanship; Miss Charlotte E. Mendum gave efficient instruction to the teach-

ers in their study of basketry; Prof. George H. Barton, Curator of the Teachers' School of Science, Boston, spent an afternoon with the teachers in the fields about Stoneham, giving lessons of much interest upon the geology and physiography of the region visited.

Field lessons properly conducted are of great value to pupils of all ages. I should be pleased to have conditions such that teachers could often take small groups of pupils to the fields for special work. Lessons thus given are more impressive and more valuable than any mere book lessons.

THE CIGARETTE EVIL.

The following is the cigarette law of the state:

AN ACT TO PROHIBIT THE SALE OR GIFT OF CIGARETTES TO ANY PERSON UNDER THE AGE OF EIGHTEEN YEARS.

SEC. 1. No person shall sell a cigarette to any person under the age of eighteen years.

SEC. 2. No person other than the minor's parent or guardian shall give a cigarette to any minor under the age of eighteen years.

SEC. 3. Any person violating any provision of this act shall be punished by a fine not exceeding fifty dollars.

SEC. 4. All acts and parts of acts inconsistent herewith are hereby repealed. (Approved May 8, 1901.)

Within recent years there has been an alarming increase in the number of boy smokers. This is a matter of common observation. On the street and in places less conspicuous, boys of the primary schools, as well as others older, may be seen with a cigarette in their mouth. At the present time there are 530 boys in the public schools. Of this number more than sixty are known to smoke, and nearly as many more are believed to be addicted to the habit.

Twelve per cent. of the boys are smokers confessedly and twenty per cent. are undoubtedly using the cigarette to some extent. It is entirely safe to assume that this does not tell the whole story. Many others are taking their first lessons or are smoking occasionally on the sly.

This appears to me to be a serious matter, as it is now well understood that the cigarette habit is exceedingly injurious to the growing boy. If used to excess the strong boy is made weak and pale, the bright boy is changed to a slow and stupid one, and the honest and manly boy becomes cowardly and lacking in moral fibre. Indeed the habit is so destructive of all the desirable characteristics of the scholar and the man, that it may be unwise for the town to try to educate a boy who persists in this bad practice. Possibly we ought to say to him : "Give up the cigarette or give up the school." Certainly he ought to be warned of the great harm he is inflicting on himself, and the probable results. He ought to know that he is sacrificing his chances for success. He ought to understand that many large industrial establishments, railroads, business firms, the United States Weather Bureau and other government departments, do not employ cigarette smokers. He ought to understand that the boy who begins to smoke before ten and keeps up the use to excess, will never be able to complete a course in the high school. Parents, teachers, the police, and all interested in saving the boys, ought to combine their efforts to enforce the law and discourage the use of anything so weakening to heart and brain.

MANUAL TRAINING.

In previous reports reference has been made to the incompleteness of any system of education which does not include some form of hand training. The importance of

this subject is my reason for again calling your attention to it.

By the law of the state "every city and town containing twenty thousand inhabitants or more shall maintain the teaching of manual training as part of both its elementary and its high school system." Although not required by law, it is a fact that many of the smaller municipalities, as well as the larger cities, are giving some attention to this neglected but essential part of education. Indeed it is probably true that there never has been an important school movement which has been so generally accepted and so widely adopted as the manual training movement. Doubtless its popularity is due, in part, to the fact that its practical value is easily seen and appreciated. It is clearly evident that for pupils who intend to follow any industrial or mechanical vocation, manual training offers inestimable and permanent advantages. It is also true, though possibly less obvious, that manual training accomplishes much for all classes of pupils, whatever their future occupation may be. For all students provision must be made for the cultivation of the hand as well as the head and heart. If this is not done, something essential and vital has been omitted and a loss is sustained—a loss which can never be made up.

In the early days in New England, the education of the public schools was supplemented by home education in the use of tools and implements. Today, industrial and social conditions are so changed that the education formerly obtained at home is no longer possible and the schools are asked to furnish a substitute for the same. In response to this demand, numerous occupations as a means of manual training have been introduced: paper cutting and folding, pasteboard construction, light woodwork, sewing, braiding, weaving, knitting, working rugs on canvas, making baskets

with reed and raphia, are among the suggestions already tried in primary and grammar school grades. More advanced work, using wood or metal, has been planned for the high school. Most of these suggestions have been so many times and so successfully carried into effect that there is no longer any doubt about their educational value.

A full discussion of the subject of manual training cannot be made here yet a few additional statements in regard to it may be given. In the first place, many pupils who are not easily reached by the usual school studies take great pleasure in all forms of handiwork. They become interested and enthusiastic when they have something to do with the hands. Listless indifference disappears and vigorous mental activity is in evidence. Old things have passed away and all things become new. When the minds of pupils are thus aroused and wide awake the conditions are favorable for any form of school activity. This new life influences the pupils entire work causing him to make a more satisfactory record in all his studies. Not alone this special class and those who have marked mechanical aptitude but for all pupils manual training appears to be uncommonly interesting and valuable. Is it not Emerson who says, "A thought is only half a truth until expressed in action." We seek for our pupils the realizing sense of their power to know the whole truth.

In the second place manual training affords opportunity for intellectual training of a high order. Some have thought that its processes are learned largely by imitation and that careful thought and reasoning are little used. This is not the case and could not be unless some bit of work is repeated so many times that the doing becomes automatic. Such movements would then cease to be of educational value. But all work which requires in the doing conscious thought

and mental alertness yield profitable results among which are the habits of accuracy, careful observation and sustained effort. In the usual school work much effort is wasted in trying to get pupils to think and reason about unfamiliar things. They do not have the perceptual knowledge necessary to think well. But manual training gives to them a wider acquaintance with things and thus adds to their conveniences for thinking.

In the third place, manual training offers considerable assistance in solving the great moral problem of school education. There is abundant evidence that carefully planned hand work has a strong and positive influence in developing character. Indeed it may be doubted whether it is possible for the individual to reach the highest and best moral development without some hand training. If this be true, as is now generally believed, the training of the hand is not only desirable but necessary. Its influence upon the conduct of pupils is often so beneficial that truancy and the need of corporal punishment largely disappear when hand work is introduced. The "bad boy" problem becomes less pressing and requires little thought. Interest in school increases to such an extent that idleness and street loafing are displaced by some useful home occupation. Several kinds of hand work which have been mentioned could be carried on easily at home after a start had been made under the direction of the teacher.

In the fourth place, manual training tends to develop the right attitude toward manual labor. As Dr. Balliet says, it "helps to eradicate the vicious notion that selling goods over a counter at $5 a week is more genteel than laying bricks at $3 a day." Our schools are for the training of citizens and some radical mistake has been made if our boys and girls leave school and enter upon the duties of

citizenship with a dislike for manual pursuits. They should know how to judge correctly of the social and moral value of all occupations that they may avoid the foolish notions now entertained by many young people.

It is claimed by some that school education should be confined to books and nothing more should be attempted. They admit that the child's education should be much broader but that the school should not concern itself about matters which have belonged to the home. In reply to this it may be said that schools must adapt themselves to the needs of the pupils and to the demands of the social and industrial world. School education which adequately met the demands a century ago is not broad enough to meet the demands of the present.

It is to be hoped that a beginning may be made soon in offering some inexpensive forms of manual training to the pupils of this town. Sewing and basketry could be introduced with little difficulty and small additional expense. For some time basket work with reed and raphia has had a place in the schools of the West but until very recently has received no attention in this section. Last summer Minneapolis held a very interesting exhibit of this work done by pupils of the public schools.

Then if we could have a manual training plant installed in the high school basement for the purpose of offering shop work to the older boys an important need would have been met.

Following this report may be found the usual statistical matter, and also the reports of the Supervisor of Drawing, the Supervisor of Music and the Principal of the High School.

Respectfully submitted,

C. E. STEVENS,

February, 1903. Superintendent.

MUSIC.

Mr. C. E. Stevens, Superintendent of Schools,

Sir: — I have the honor to submit my fourth annual report.

Substantial gains have been made in music this season. An orchestra was employed at the last graduation, and a concert was given in Assembly hall in April, at which well known artists appeared in vocal and instrumental numbers. Both the orchestra and the concert were educational features and gave the pupils the example of good music well rendered.

Three young ladies of the High school assisted at the concert, and their successful playing leads me to speak again of a matter that I touched upon in last year's report. If it is not deemed feasible to give credit for outside work in music, in place of some school subject, can we not find some other method whereby we may encourage gifted pupils in their art education? To require them to do a maximum amount of academic work means to seriously check the music study.

If technical training could be continued after the school curriculum had been completed there would be no need of changing the present system, but the years of childhood and youth are as precious for training the muscles as for training the mind. An eminent authority has said that one hour of practise at this period of life is worth four in maturity, and I may add, if technic is not obtained during youth it is not obtained at all.

The seventh and eighth grades, while housed in the High School, are having the privilege of singing together in a combined chorus of one hundred and forty-five voices,

and they are enjoying a change of music books, using the Euterpean in place of the Cecilian, Book III. I continue to do all the teaching of music in these grades and in the High School, which includes the ninth grade, giving two lessons per week.

Good work is being done by the teachers in the grades below the seventh. The pupils show some ability in sostenuto, and the intonation, as a rule, is excellent.

Faithful study in music does not count, at present, for class scholarship, and I recommend that we recognize skill in this subject, as in others, by giving suitable credit. Smith College gives credit for both vocal and instrumental music, and Harvard may soon place it among the subjects required for entrance.

I desire to express my earnest appreciation to you, the Committee, and the teachers for the hearty co-operation that has been accorded me.

Respectfully submitted,

ERNST MAKECHNIE,

Supervisor of Music.

DRAWING.

Mr. C. E. Stevens, Superintendent of Schools,

Dear Sir: — During my supervision here, the work in drawing has been based upon the same general outlines, but the drawings themselves have varied, and though the difference in the work of any two successive years may not be very noticeable, yet a comparison of the sheets that were done last year with those of three or even two years ago, shows a marked difference.

This is specially true in the freehand drawing, particu-

larly in the work from common objects and from nature. For a number of years the instruction in model and object drawing consisted largely in the teaching of the principles of perspective, and even the higher classes had to draw simple forms like cubes, cylinders, prisms and boxes. Now these principles have been taught in the lower grades to such an extent that the older pupils can make much more interesting application of them, and instead of the wooden forms studied at first, they are able to sketch subjects far more artistic,—for example, a group of Japanese lanterns, an umbrella hanging upon the wall, a vase with perhaps a spray of pine for a background, a Japanese doll and many other objects of interest.

The nature drawings vary greatly from those made sometime ago. All the first work from plant forms was, like the drawing from models, study in merely outline. Now light and shade sketches are commenced in the sixth grade and continued through the higher grades, and during the last year much of the work from nature in the ninth grade and in the high school consisted of studies in water color, many of which were done freely and directly with the brush, without help of pencil outline. There is no part of the drawing which has been of so great interest and value as that devoted to study of the subjects which Nature herself provides, for it is impossible to depict their grace and beauty without learning the better to appreciate them. Since power to represent necessitates ability to see accurately, the pupil cannot fail to enjoy much more of the beauty of the world, through this increased ability to see.

Some changes have been made in the outlines of drawing for the primary grades. Since these plans have been made out for the year, with definite work for each month, when the time for the beginning of the school year was

changed from April to September, it necessitated new primary course of study.

At the close of last June, a collection of the best drawings was mounted for the office of the superintendent. This included the work of all grades and also that of the high school.

I desire to express my thanks to the members of the school committee, and to yourself, for the assistance given, and to all the teachers, who have so faithfully carried out my plans.

Yours truly,
EVELYN F. CROSS.

HIGH SCHOOL.

MR. C. E. STEVENS, SUPERINTENDENT OF SCHOOLS:

DEAR SIR: I have the honor to submit herewith my eighth annual report.

The total number of pupils enrolled in the high school since September 9, 1902, is 155. The average membership for the same period is 148.39.

The enrollment by courses at the present time is:

In four years Classical Course	52
In four years English and Modern Language Course	57
In three years English Course	20
In three years Business Course	19
Total	148

The number of pupils in the ninth grade at the present time is 62.

The need of an additional teacher in the high school

is much felt. The average attendance in the high school has more than doubled in the past seven years, while our teaching force in the same period has been increased by only one. I think few high schools in the state have so many pupils per teacher as we have. To do a satisfactory quality of work we must have an adequate teaching force.

The incorporation of the ninth grade as an integral part of the high school, the introduction of stenography and typewriting, and of some inexpensive form of manual training are matters that may well receive attention in the near future.

In the forty-eight years of its existence the high school has graduated 516 pupils. It is gratifying to note how many of these are loyal supporters of their Alma Mater. An active, interested alumni is a source of much strength to a school. It is to be hoped that the alumni association now sleeping may again awake into active existence. The very successful reunion of the classes of 1900, 1901 and 1902 held last December shows there is a place for the organized efforts of our alumni who, individually, are so helpful.

Through the generosity of the alumni, former pupils, and friends of the school, the following beautiful pictures have been hung in our new building: Ruysdoel's Windmill, Pyramids of Egypt, Notre Dame, Canterbury Cathedral, Holyrood Palace, Kenilworth Castle, Taj Mahal, Theseum, Stratford on Avon, Concord Bridge, Mount Vernon, White House, Niagara, Fujiyama, portraits of Washington and Lincoln, Panoramic View of Rome, Coloseum, Arch of Constantine. Our thanks are also due Mr. Upton, of the class of '98 for three first class magazines that have come to our library during the year. We are also indebted to the loyal school spirit of Messrs. Albert A. Hayward, Charles F. Hayward, Luther Yancy and Warren Thayer for a beautiful silver trophy-cup won by them in the relay race last Fourth of July.

The question of athletics in the high school is one deserving earnest consideration. High school athletics, if properly entered into, have a decided value. They may, however, be conducted in such a way as to be productive of much harm. I would suggest that some arrangement be made whereby all the athletic interests of the school be placed under some responsible management, in which the School Board, the alumni, the teachers and the pupils are represented. A physicians certificate of good health might well be required of all pupils engaging in the more active sports, while good scholarship and good conduct should be required of everyone representing the high school in any contest whatever. A playground for all the children of the town is something to be desired.

Our militia company is the largest in the history of the school and is drilling excellently well. At the annual prize drill last March Mr. George E. Miller Jr. won first prize, Mr. Lawrence T. Walker, second, and Mr Alfred L. Buck, third.

I will repeat what I have said in former reports. I think the Square is a poor place for a boy to spend his afternoons and evenings. Doubtless we all believe in a wholesome amount of play and recreation, but I am sure we do not believe in wasting weeks and months that could be used in study, or in some other profitable employment. Parents may be sure that the pupil who does not work afternoons, and who does not study at home, is not doing as good work as he ought in school. Again, the hours of school life are too precious to be regarded lightly. Absences, tardinesses and dismissals should be approved for very necessary reasons only. I wish to emphasize these last two points, for they enter very notably into the well being of the school.

The work of the year has been done successfully and harmoniously. The thanks of the teachers and pupils are due the citizens, the school board and the superintendent, for the pleasant and favorable conditions under which we have worked.

C. J. EMERSON,
Principal.

REPORT

OF THE

Trustees of Lindenwood Cemetery.

To the Citizens of Stoneham:

The Trustees of Lindenwood Cemetery submit this, their annual report.

We would recommend that the town raise and appropriate the sum of six hundred dollars, with the receipts of the cemetery, for the general care of the cemetery for the ensuing year.

Annual Appropriation	$600.00
Received sale of lots, grass and care of lots	636.58
	$1,236.58
Bill paid as per Auditor's report	1,235.91
Balance unexpended	.67
Paid for perpetual care of lots from Fund deposited with the town, as per Auditor's report	$208.08

Amount received during the year, the income to be applied to the care of the following lots, viz:

M. J. Huntoon	care of lot No. 497	$100.00
S. E. Green	" " " " 945	100.00
L. J. Eaton	" " " " 741	100.00
O. W. Richardson Jr.	" " " " 433-434	200.00
E. T. Palmeter	" " " " 1245	100.00
G. W. Cromack, Ex.	" " " " 861	100.00

We would recommend that the town raise and appro-

priate the sum of thirty-five dollars for the care of the old yard.

Respectfully submitted,

S. D. WESTON,
F. E. NICKERSON,
CHAS. W. MESSER,
D. A. ABBOTT,
CHAS. C. DIKE,

REPORT

OF THE

WATER COMMISSIONERS.

To the Citizens of Stoneham:

The Water Commissioners have the honor to submit the following report for the term ending January 31, 1903.

The season just ending has been an unusually busy one by reason of the extensions of mains and the consequent new services, and added to these, quite a large number of old services relaid, and the occasional leaks, which every water department has to expect.

A number of breaks in the cement lined pipes purchased from the Wakefield Water Company have called out Superintendent Jones and the men at all times of day or night, and these have been quickly and efficiently taken care of, with but slight inconvenience to water takers in the several localities where the breaks occurred As far as is known, the causes for the bursting of these pipes may be laid to disturbances caused by the laying of sewer or gas pipes and not to any defect or weakness. In one case only, and that the recent break on Flint avenue, can we trace the cause to a defective pipe. Citizens cannot expect entire immunity from occasional instances of this kind, but on the whole the department has had comparatively little trouble from breaks or leaks.

A matter which caused your Commissioners considerable anxiety, was the excessive use of water. Word was received from the Metropolitan Water and Sewerage Board, from time to time, reminding the Water Commissioners of

Stoneham, that the town was using an enormous quantity of water, and what was an unusual circumstance, was the fact that the quantity used did not show a falling off at night, to the extent which prevailed elsewhere in the Metropolitan water district. The meter readings during the months named below were as follows:

	CONSUMPTION.	AV. PER DAY	GAL. PER CAP.
1901—November	22,170,000	739,000	117
December	22,785,000	735,000	117
1902 - January	23,033,000	743,000	118
February	21,392,000	764,000	121

This state of things indicated a leak somewhere and a very serious one at that. The Water Commissioners knew that a large majority of the water closet fixtures were leaking and they made an attempt to have a thorough inspection of the plumbing, with a view to stopping so much of the waste, but in this attempt to remedy the difficulty they were defeated and the waste continued until fall, when the Metropolitan Water and Sewerage Board sent out Engineers and assistants to locate the trouble if possible. In this work, Superintendent Jones, with foreman P. J. Regan and several men from the Stoneham Department, were called upon to assist. The town was divided into six districts, and tests were applied to each to note the flow of water as indicated by meters. Leaks of considerable size were located as follows: One on Montvale avenue, one at the corner of Main and Maple streets, one between Pleasant and Franklin streets on Summer street, and one on Franklin street between Pleasant street and Emerald court. These leaks were all underground and a great quantity of water was escaping, but making no show on the surface. By diligent search the leaks were located and repaired, and as nearly as could be ascertained, the causes that produced three of them

were from the laying of sewer pipes, and the fourth was caused by marshy ground which created a sag and later on, a break in the cement, which opened a joint. The meter reading, since the repairs of the above mentioned defects is, as stated by Division Engineer C. M. Saville, under date of November 14, 1902, estimated at 54 gallons per capita. The drop from a per capita use of 121 gallons daily, to 54 gallons is very gratifying and means much to the town.

In this connection we must express our appreciation of the willingness of the men to work night and day in an emergency, and our thanks to the Metropolitan Water and Sewerage Board for their assistance, without which the town would have been put to a much greater expense. As it was, the cost of finding the leaks amounted to a considerable sum, but the saving was a hundred fold greater. The cost of extending the mains will be given in detail by Superintendent Jones.

The extension on Rowes' Hill caused some considerable discussion in the Board as to the best way to accomplish the job, and at the least expense. It was finally decided to write to several contractors, asking for bids on the laying of 1000 feet of 6 inch pipe on Main street, Rowes' Hill, and 1600 feet on Bow and Eustis streets, setting hydrants, etc., etc. One contractor's bid was $5916 for the entire job. Another agreed to do the same work for $5572.50. Both being prohibitive, in the judgment of the Board, the bids were rejected. Beside the amounts bid by the contractors, the services of an engineer would have been necessary to insure the carrying out of the contract, and the expense of a competent man would have largely increased the cost of doing the work. After considering the matter very carefully it was decided to do the work with town help. We need not dwell on the character of the ledge on Rowe's Hill.

Several contractors have paid dearly for the knowledge they have of that toughest of all ledges in Middlesex county. It was with considerable satisfaction, therefore, that we found the cost quite a little less than the figures named by the contractors.

In the summer of 1902 there was a demand for extensions on Oak street, Albion avenue and Elm street to William street. This latter section was to complete a circuit. It should be said in passing that the extension from Cottage to William streets, its entire length was done within the estimate, as Superintendent Jones' figures will show. On all of these streets except the 750 feet from Main, through Elm to William, there has been furnished guarantees to cover the interest on the cost of the extensions. The iron pipes and the special castings necessary, were bought from M. J. Drummond & Co. of New York, at prices varying from $26.80 to $31 per ton; and we have to record here our entire satisfaction with the businesslike and honorable treatment we have received from that firm.

The fire protection has been increased by the setting of 20 hydrants in the following localities; 3 on William street, 1 junction of High street and Broadway, 1 on Collincote street, 1 on Rowe's Hill, Main street, 1 on Farm Hill, 1 on Isabella street, 1 on Franklin street near Plaza avenue, 2 on Oak street, 1 on Forest street, 1 on Park street, 1 on Dean street, 1 on Central street near the north school, 1 on Bow street at junction of Eustis street, 1 on Flint avenue near Rowe street, 1 at junction of High and Washington streets, 1 on Lincoln street, 1 on Franklin street near Edward Outram's house.

Regarding water rates, the Metropolitan Water and Sewerage Board has fixed a minimum rate for lawn hose, of $4 per season, and the town is required, by the Act of 1895,

to conform to these rates. The other rates have been submitted to the State Board, and will probably be approved.

The Board has decided to require a deposit on all applications for service on and after December 1, 1902. The application must be signed, and a deposit equal to the estimated expense of the service required, must be made with the Town Treasurer. If the cost is less than the estimate, the surplus will be refunded. If more, the amount due must be paid before water is turned on.

The department has removed its repair shop, storage rooms and stable to the barn on Tidd street belonging to the estate of the late William Tidd and are now comfortably and completely equipped.

In conclusion, we wish to record our appreciation of the faithful manner in which foreman P. J. Regan and the men employed by the department, have attended to their duties. It means much to the town in the matter of expense to have men who are interested in having the work well done.

Respectfully submitted,
STANWOOD G. SWEETSER,
GEORGE W. CROMACK,
JAMES A. JONES,
Water Commissioners.

SUPERINTENDENT'S REPORT.

Stoneham, Feb. 1, 1903.

To the Board of Water Commissioners:

Gentlemen:—I desire to make the following report, covering a period from Dec. 1, 1902 to Jan. 31, 1903.

In the early part of the year it was found necessary, in

order to control the town, to set a 10 inch gate on Main St., south of the Metropolitan connection. This we have found to be a very valuable addition to the system. On account of the seemingly excessive use of water, the Metropolitan Water Board decided to make a series of tests of the Stoneham System, and in order to make as little inconvenience as possible to the consumers, it was thought best to make them during the night. These tests were under the supervision of Mr. Saville of the Metropolitan Board, and myself for the town. We were successful in locating seven leaks, all of which were blind, and the water was running away in the broken ledges and sewer trenches. They were caused by the settling of pipes in places where blasting had been done, and all but one were sleeve leaks. From one, the water had been running into a ditch for a number of years. The result of the tests was very gratifying to the Metropolitan Board and stopped the waste of a large amount of water. We have had but two breaks the past year, caused by defective cement pipes. One on Flint Ave. and the other on the Summer St. pipe at Main St. In the many places where the pipe has been uncovered during the year, it has been found in good condition. This work, with the two and one half miles of main pipe and over one and one half miles of service pipes laid, together with the general repairs, has made it a very busy year for this department. Below is a statement of the extensions and services laid.

EXTENSIONS OF MAIN PIPES.

ELM STREET, ALBION AVENUE, OAK STREET, FOREST STREET AND NORTH STREET.

5584 ft. 6 inch Cast Iron Pipe.
353 ft. 2 inch Lead Lined Pipe.
3 Hydrants.
3 6 inch Gates and Gate Boxes.

2 2 inch Gates and Gate Boxes.
6 6 inch Tees.
1 6 inch Y.
2 6 inch ¼ Bends.
2 6 inch ⅛ Bends.
2 6 inch Plugs. Cost $5011.14

MAIN STREET, ROWE'S HILL.

930 ft. 6 inch Cast Iron Pipe.
1 Hydrant.
1 6 inch Tee.
2 6 inch ⅛ Bends.
1 6 inch Sleeve.
1 6 inch Plug. Cost $2098.99

BOW AND EUSTIS STREETS.

1386 ft. 6 inch Cast Iron Pipe.
1 6 inch Gate and Box.
1 Hydrant.
3 6 inch Tees.
1 6 inch ⅛ Bend.
1 6 inch Plug. Cost $1578.34

WILLIAM STREET.

4031 ft. 6 inch Cast Iron Pipe.
2 6 inch Gates.
3 Hydrants.
3 6 inch Tees.
1 6 inch Y.
1 6 inch Sleeve.
3 6 inch Gate Boxes.
1 6 inch Plug.
1 2 inch Gate. Cost $2921.90

POND STREET.

336 ft. 6 inch Cast Iron Pipe.

1 6 inch Gate and Box.
1 6 inch Tee.
2 6 inch Sleeves.
1 6 inch Plug. Cost $215.94

MAIN STREET. (SQUARE.)

7 ft. 10 inch Cast Iron Pipe.
1 10 inch Gate and Box.
1 10 inch Sleeve. Cost $63.89

HYDRANTS, NOT INCLUDED ON NEW MAIN.

12 Hydrants.
10 6 inch Tees.
10 6 inch Sleeves.
84 ft. 6 inch Cast Iron Pipe. Cost $663.14

PINE AND EMERSON STREETS.

3 ft. 4 inch Cast Iron Pipe.
1 4 inch Gate and Box.
1 4 inch Sleeve. Cost $22.35

TOWN WARRANT.

COMMONWEALTH OF MASSACHUSETTS.

MIDDLESEX, SS.

To John C. C. Small, or either of the Constables of the Town of Stoneham, in the County of Middlesex. GREETING:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs, to meet in the Armory Hall, in said Stoneham, on

MONDAY, MARCH SECOND,

A. D. 1903, at six o'clock in the forenoon, to act on the following articles of this warrant:

Article 1. To choose a moderator to preside at said meeting.

Article 2 To choose a Town Clerk for three years, a Town Treasurer, three Selectmen, three Assessors, three Overseers of the Poor, three Constables, two Auditors, Tax Collector, and Tree Warden, all for one year; also, one Park Commissioner, one Sewer Commissioner, one Water Commissioner, one School Committee, one member of the Board of Health, and two Trustees of the Public Library, all for three years; also, one member of the Board of Health for two years, to fill the unexpired term caused by the resignation of Linwood L. Gove; also, one Trustee of Lindenwood Cemetery for five years; also, to vote "Yes" or "No" in answer to the question, "Shall licenses be granted for the sale of intoxicating liquors in this town?" all on one ballot, in accordance with votes of the town and Acts of the Legislature of Massachusetts.

Article 3. To choose all other necessary Town Officers for the year ensuing.

Article 4. To hear the reports of Town Officers and Committees, and to act thereon, and to choose committees.

Article 5. To raise such sums of money as may be necessary to defray town charges for the year ensuing, and make appropriations for the same.

Article 6. To see what sum of money the town will vote to raise and appropriate for repairs and decoration of soldiers graves for the ensuing year.

Article 7. To see what sum of money the town will vote to raise and appropriate for purchase of books for the Public Library, and for the support of the Public Library and Reading Room the ensuing year.

Article 8. To see in what manner the town will appropriate the money received for licenses of dogs.

Article 9. To see if the town will authorize its Treasurer to hire money for the use of the town, under the direction of the Selectmen.

Article 10. To see if the town will authorize its Collector to use all means of collecting taxes, which the Town Treasurer may use when appointed Collector.

Article 11. To see if the town will vote to accept the list of Jurors as revised by the Selectmen.

Article 12. To see if the town will vote to grant the free use of Armory Hall to Post 75, G. A. R., six evenings in the coming year when not otherwise engaged.

Article 13. To see if the town will vote to water the streets of the town, or any of them, and make an appropriation for the same.

Article 14. To see if the town will vote to fix the time for allowing discounts on taxes, and also fix the time when uncollected taxes shall go on interest, fix the rate of discount to be allowed, and the rate of interest to be charged, and take such other action as may be necessary in relation thereto.

Article 15. To see if the town will accept Chapter 263 of the Acts of the year 1902, entitled, "An Act to authorize the Town of Stoneham to establish a Board of Public Works."

Article 16. To accept and allow the alteration, widening and relocation of Franklin street, between Pine street and Summer street, as laid out by the Selectmen and reported to the town at this meeting, and to appropriate the sum of fifteen hundred ($1500) dollars for the construction thereof, and to authorize the Selectmen to make an entry for the purpose of construction before all claims for damages are finally adjusted and determined.

Article 17. To authorize the Selectmen to adjust, determine and

pay, on such terms as seem to them best, the land damages arising from the alteration, widening and relocation of Franklin street, between Pine street and Summer street, and to that end to employ an attorney if they deem best, and to appropriate the sum of two thousand ($2000) dollars toward the payment of said land damages and the expenses incidental thereto, the money therefor to be taken from any unexpended balances in the hands of the Treasurer.

Article 18. To see if the town will vote to raise and appropriate the sum of three thousand ($3000) dollars to macadamize Marble street, or do anything in relation to the same.

Article 19. To see if the town will raise and appropriate a sum of money for the suppression of the brown tail moth on all public trees in the town, or do anything in relation to the same.

Article 20. To see if the town will accept the offer of Mr. Andrew Carnegie of the sum of fifteen thousand dollars to erect a Free Public Library Building on the terms and conditions stated in the offer.

Article 21. To see if the town will agree to maintain a Free Public Library at a cost of not less than fifteen hundred dollars a year.

Article 22. To see what action, if any, the town will take to acquire by purchase, or otherwise, a piece of land for the erection thereon of a building to be used for a Free Public Library and to make an appropriation therefor.

Article 23. To see if the town will authorize the Treasurer to borrow any money appropriated at this meeting for the establishment of a Free Public Library and for the acquisition of land for the erection thereon of a building to be used for a Free Public Library.

Article 24. To see if the town will vote to purchase scales for weighing coal, locate, and appoint a weigher outside of all coal dealers, purchasers to pay for weighing, make an appropriation for said purchase, or do anything in relation thereto.

Article 25. To see if the town will vote to raise and appropriate the sum of three hundred dollars for street railings, and repairs to the same, or do anything in relation thereto.

Article 26. To see if the town will vote to exchange the stone crusher plant for a portable stone crusher, make an appropriation for the difference in cost, or do anything in relation to the same.

Article 27. To see if the town will vote to raise and appropriate the sum of one hundred and fifty dollars to pay Mrs Annie L. Knapp for gravel bought of her and used by the town in 1901, or do anything in relation thereto.

Article 28 To see if the town will vote to accept as a public highway, the private way known as Wright Street Court, as laid out by the Selectmen, and make an appropriation for the same.

Article 29. To see if the town will vote to lay a water main through the private way known as Manison street, from Maple street southerly to the house of Charles Bournivale and make an appropriation for the same, or do anything in relation to the same.

Article 30. To see if the town will vote to lay a water main from Summer street, near the residence of James Higgins, easterly and southerly in and through Summerhill street, to a passageway between land of Patrick J. Regan Jr. and Mary Leach, and make an appropriation for the same.

Article 31 To see if the town will vote to lay a water main from the corner of Lindenwood road and Cottage street, in and through Lindenwood road westerly to West street, to the house of Mrs. T. Brooks Hadley, and make an appropriation for the same.

Article 32. To see if the town will vote to lay a water main from Spring street, southerly in and through Summer street to Gould street, and make an appropriation for the same.

Article 33. To see if the town will vote to locate hydrants in different sections of the town where needed, and make an appropriation for the same.

Article 34. To see if the town will vote to appropriate the balance of money in the construction account of the Water Department now in the hands of the Treasurer, together with the amount received the coming year as receipts from construction, the same to be expended by the Water Board for construction.

Article 35. To see if the town will vote to repair Summerhill street from near the house of James Higgins to the passageway between the land of Patrick J. Regan Jr. and Mary Leach, and raise and appropriate the sum of five hundred dollars for the same.

Article 36. To see if the town will vote to build a gravel and crushed stone sidewalk on the easterly side of Washington street, between Myrtle street and Avon street, and appropriate the sum of seventy-five dollars for the same.

Article 37. To see if the town will vote to build a gravel sidewalk on Stevens street, from Gould street southerly to Franklin street, and make an appropriation for the same.

Article 38. To see if the town will vote to grade the sidewalk on the east side of Lincoln street, between Hancock street and Winthrop street, and make an appropriation for the same.

Article 39. To see if the town will vote to raise the sidewalk on the westerly side of Main street, opposite the house of Mrs. Mary Gerry, and make an appropriation for the same.

Article 40. To see if the town will vote to raise and appropriate the sum of two hundred dollars to complete the sidewalk on the north

side of Hancock street, from the westerly bound of land of W. Massey to Park street.

Article 41. To see if the town will vote to construct a concrete crossing across Marble street, at its junction with Main street, make an appropriation for the same, or do anything in relation thereto.

Article 42. To see if the town will vote to raise and appropriate the sum of one hundred and seventy-five dollars to be expended under Chap. 49, Sect. 43 of the Revised Laws of Massachusetts, for a concrete sidewalk and crossings from the old high school grounds to the new high school grounds, or do anything in relation thereto.

Article 43. To see if the town will vote to locate an incandescent light on Central street, near the residence of Sampson W. Townsend, and make an appropriation for the same.

Article 44. To see if the town will vote to locate an incandescent light at the corner of Harrison street and Rockland street, and make an appropriation for the same.

Article 45. To see if the town will vote to locate an electric light at the corner of Lindenwood road and West street, make an appropriation for the same, or do anything in relation thereto.

Article 46. To see if the town will vote to locate an electric light on Lindenwood road near the Railroad crossing, and make an appropriation for the same.

Article 47. To see if the town will vote to locate two electric lights on Cottage street, and make an appropriation for the same.

Article 48. To see if the town will raise and appropriate the sum of three hundred dollars for the purpose of rebuilding the retaining wall abutting the Old Burying Ground on the west side of Oriental court, or do anything in relation to the same.

Article 49. To see if the town will raise and appropriate the sum of two hundred dollars, to be expended in cleaning out and lowering the brook running through Lindenwood Cemetery, or do anything in relation to the same.

Article 50. To see if the town will take any action in regard to the appointment of a committee to revise the regulations governing Lindenwood Cemetery, or do anything in relation to the same.

Article 51. To see if the town will vote to appropriate a sum of money for the purpose of cleaning out the public drain running through Gould Meadow, so called, between Franklin street and Pleasant street, or do anything in relation to the same.

Article 52. To see if the town will vote to accept the provisions of sections 122 to 127 inclusive, of Chapter 102 of the Revised Laws of Massachusetts, said sections being for the control or suppression of the "Smoke Nuisance," or do anything in relation to the same.

Article 53. To see if the town will vote to repair the public drain running through land of Martin Mullaly at the corner of Main street and Pleasant street, so as to properly carry off the water, make an appropriation for the same, or do anything in relation thereto.

Article 54. To see if the town will establish and maintain a yard for stable and storage purposes for the Highway, Water and Sewer Departments, by purchase or otherwise, and make appropriation therefor, or do anything in relation to the same.

Article 55. To see if the town will vote to pay all town laborers one dollar and eighty cents for each full eight hour day, or do anything in relation to the same.

Article 56. To see if the town will vote to locate an electric light on Maple street, between Cedar avenue and the railroad track and make an appropriation for the same.

Article 57. To see if the town will vote to locate an electric light on Albion avenue, three hundred and thirty feet from Elm street, and make an appropriation for the same.

Article 58. To see if the town will vote to raise and appropriate the sum of two hundred dollars to purchase and set out shade trees along the public highways in the town, or what it will do in relation to the same.

Article 59. To see if the town will vote to build a gravel or crushed stone sidewalk on the northerly side of Franklin street, from Stevens street to Isabella street, and make an appropriation for the same.

Article 60. To see what action the town will take, if any, regarding the placing of a fire alarm box at the corner of Park street and Marble street, and make an appropriation for the same.

Article 61. To see what action, if any, the town will take regarding the placing of a fire alarm box at the corner of Dean street and Hancock street, and make an appropriation for the same.

Article 62. To see what action, if any, the town will take in regard to collecting a bill due from the town of Palmer, said bill having been contracted by the Board of Health, and paid by the town for the care of a smallpox patient whose legal residence is in the town of Palmer.

Article 63. To see if the town will vote to amend Section 4 of Article 2 of the town By-Laws, by striking out of said Section the words "February" "January," "January" and "ten," and inserting in place thereof the words "January," "December," "December" and "twenty," so that said Section 4 shall read as follows: "Section 4. The financial year shall commence on the first day of January and expire on the thirty-first day of December annually, and during the interval between the thirty-first day of December in each year and the time of making the next annual appropriations, the Selectmen shall draw orders for any

necessary payments from the town treasury from any available funds therein, and the same shall be charged against the said next annual appropriations, but such orders for any purpose, not otherwise provided for by law, shall not exceed twenty per cent. of the entire amount appropriated for that purpose in the previous year."

Article 64. To see if the town will vote to amend Section 10, of Article 2 of the town By-Laws, by striking out the whole of said Section 10, and inserting in place thereof the following section: "Section 10. It shall be the duty of the Selectmen and Town Treasurer to keep all buildings situated on the Town Farm suitably insured against fire.

And you are directed to have one hundred copies of this Warrant printed, and to serve the same by posting up twenty-five attested copies, as follows, viz: One at each of the meetinghouses and schoolhouses in said town and the residue of the twenty-five copies in conspicuous places in different sections of said town, seven days at least before the time for holding said meeting. The remaining seventy-five copies you are required to have at the place and time of meeting as aforesaid, for distribution. Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting as aforesaid.

Given under our hands this Seventeenth day of February in the year of our Lord One Thousand Nine Hundred and Three.

LEONARD P. BENTON,
JOSHUA T. NOWELL,
WALTER S. KEENE,
Selectmen of Stoneham.

A True Copy Attest: JOHN C. C. SMALL, Constable.

" Dwelling Houses		1443
" Other Buildings		616
" Acres of Land in 1875		3669
" " " " " 1902		2422.05
Loss		1246.95

Most of this land has been taken by the Metropolitan Park and Water Commissioners. This is a loss to the town of about Three Hundred Thousand Dollars.

Under the above circumstances we think our town should ask for some compensation from the state and that our Representative to the General Court should look after our rights in the matter.

Highest rate, viz: $26.00, assessed in town of Charlmont, county of Franklin. Lowest rate, viz: $5.50, in town of Gosnold, county of Dukes. Rates from $5.80 to $9 80, assessed in 13 towns; $10.00 to 14.90 in 2 cities and 119 towns; $15.00 to $19.80 in 30 cities and 143 towns; $20.00 to $25.00 in 1 city and 43 towns.

WILSON A. BARTLETT,
JOHN BEST,
FRANK W. JOHNSON,
Assessors.
